

Grading Practices

School: Salem High School

Subject(s): Biology

Grade Level: 9/10

Homework

Meaningful homework assignments will be given as needed; homework will not count for more than 10% of the student's total grade.

Late Work

We will accept late work within a marking period.

Explanation of Zeroes

We will refrain from recording zeroes. We will record an "I" or "MI" for incomplete work.

Reassessment

Students have the option of taking a reassessment if they choose to do so.

Make-up Work

Make-up work will be accepted for all absences prior to the end of the marking period.

Extra Credit

Extra credit may be made available to all students at the teacher's discretion. It is not intended to replace regular class assignments and will always be connected to the current curriculum of study.
