Homework

Homework counts as 10% of the students' overall grade or it's not graded and counts as a formative assessment

Late Work

We will take late work for a deduction of a letter grade for each day that it's late

Explanation of Zeroes

Zeros are given as a last result after multiple attempts. Z's are entered immediately and are changed if work is submitted by the end of the current unit of study.

Reassessment

We offer additional remediation and instruction during class and after school but we do not offer reassessments.

Make-up Work

We follow the school board policy of 3 school days from the time the student returns to complete make-up work

Extra Credit

We do not provide extra credit. If a student completes all formative and summative assessments, they should maintain, they should maintain superior mastery.
