

Chippens C.A.R.E.S. Everywhere

At Chippens Hill Middle School our school community **C.A.R.E.S.** for each other in our thoughts, words and actions! We show we care by:

*C*ooperating with Others

*A*ccepting Differences

*R*esponding Peacefully

*E*ngage in Learning

*S*upporting Success for All!

Dear Yellow Team Students and families,

Welcome to the Yellow Team! We're looking forward to a wonderful year! We are really excited to get to work with you and your families this year. Eighth grade is an exciting year as you continue to grow and begin to prepare for your transition to high school. Please read the following information with your parent or guardian. The procedures and policies that have been established will help you succeed as you settle into your last year in middle school.

Sincerely,

The Yellow Team Teachers

Class Work and Readiness

Organization is your key to success this year. Be prepared for class!

Students should have a their binder, writing utensil, planner, chromebook and charger, and be ready to learn each day.

Absences

When you are absent, tardy or dismissed from school early, **you are responsible** for making up any work missed. Please make sure you are aware of each teacher's make- up work policy. It is your responsibility to complete the assignments and hand them in within the same amount of days as absences. All quizzes and tests should be made up within the same time frame.

Technology

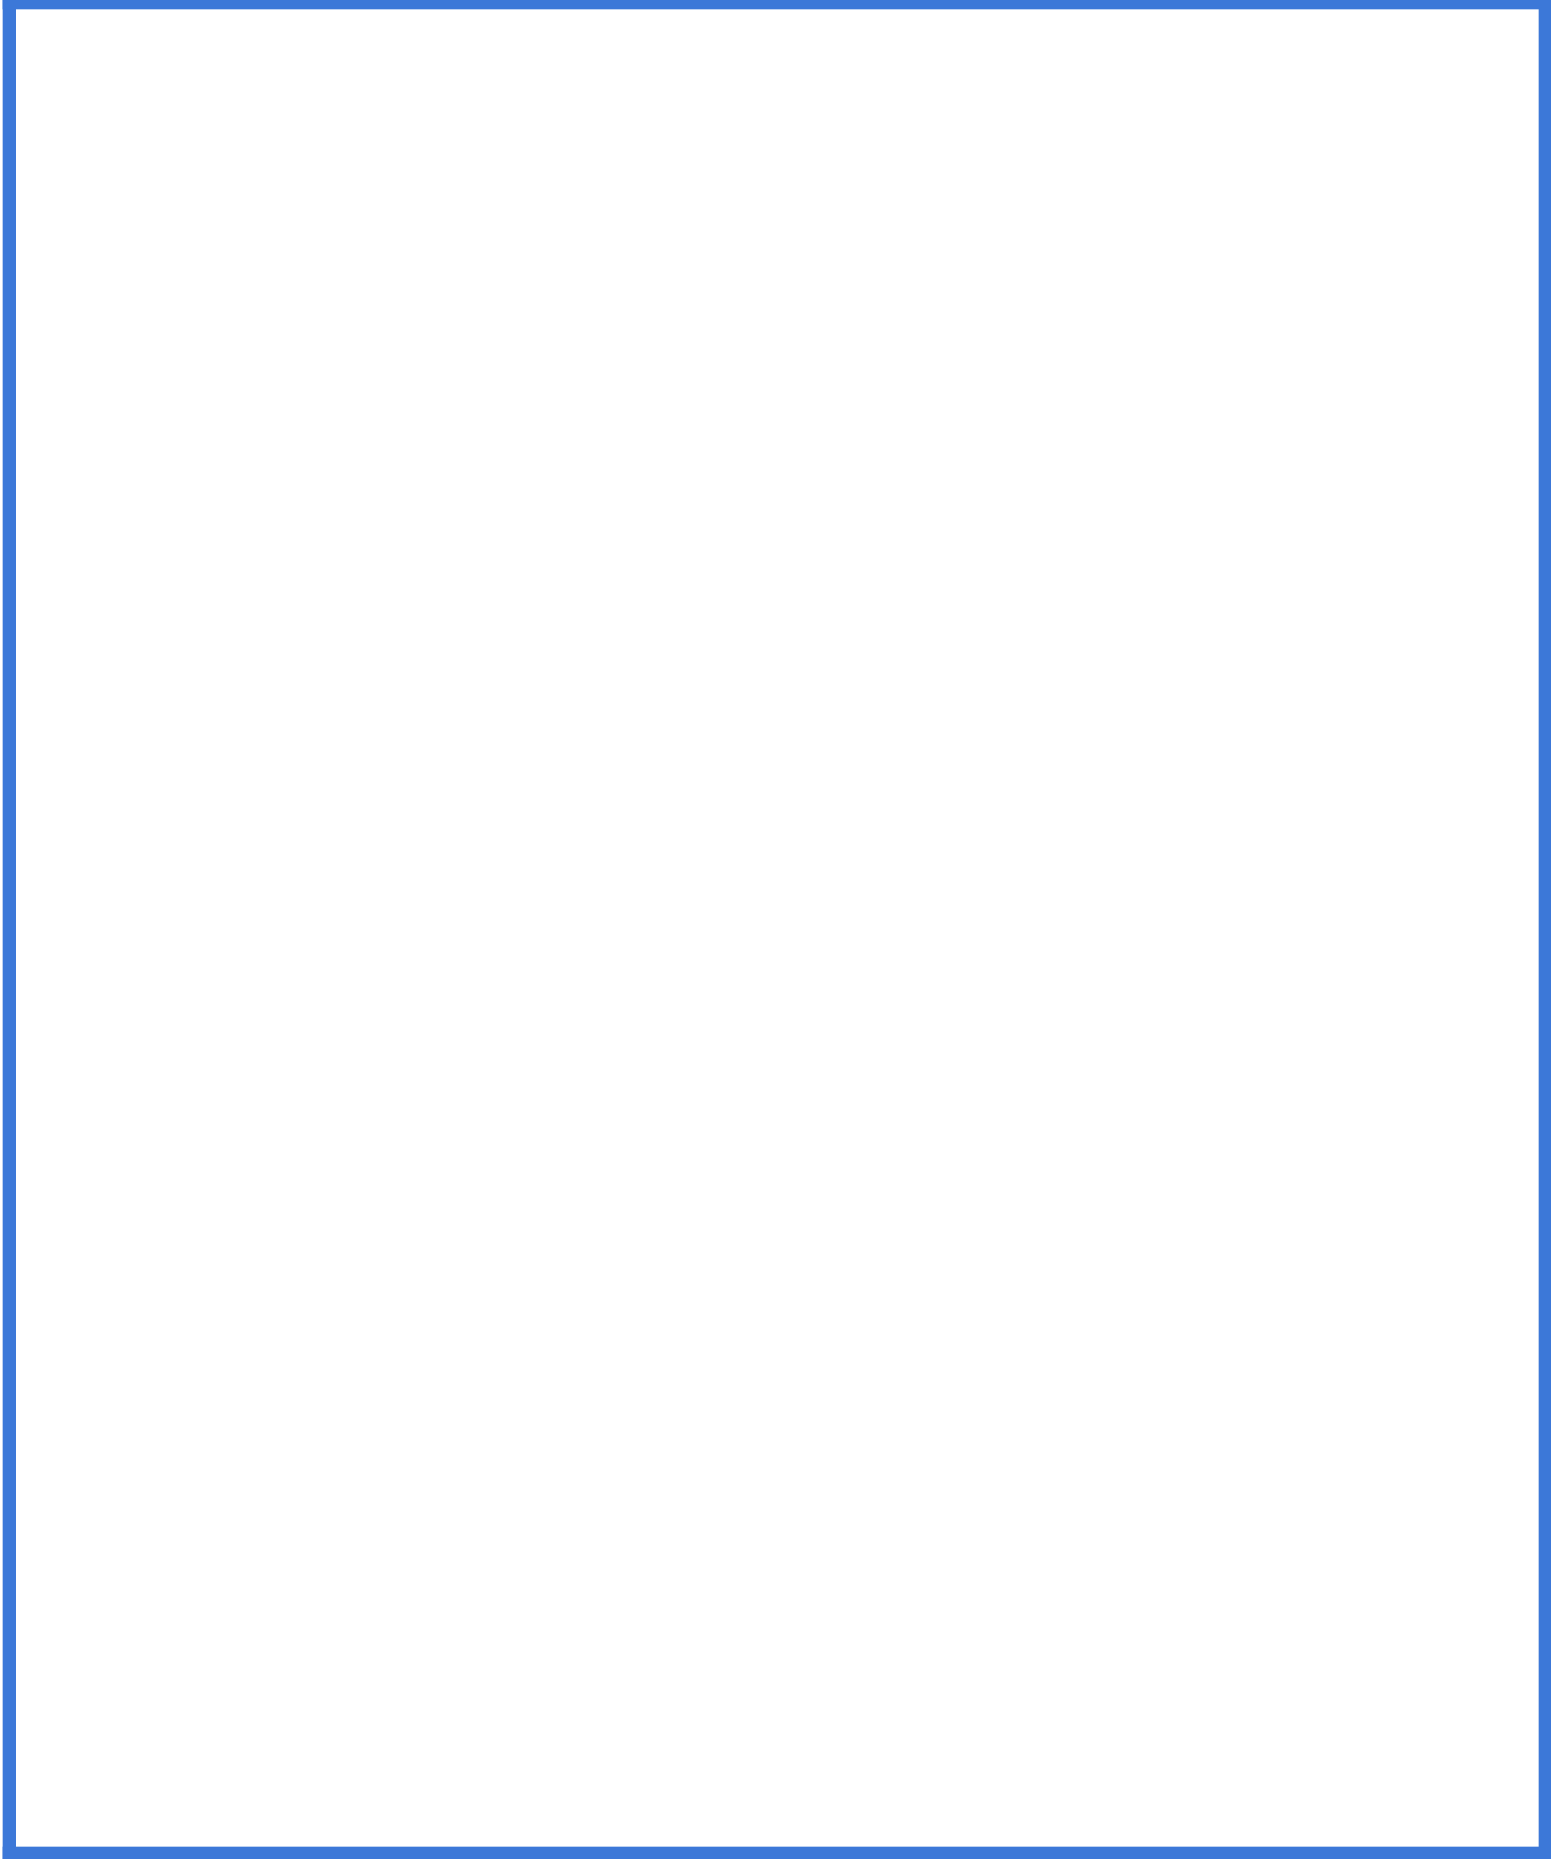

Students should bring their chromebooks back and forth between school and home each day. It is critical that they have their device in case of quarantine or change in learning model. Chromebooks should only be used upon teacher direction for class assignments. All chromebook usage will be monitored.

Student cell phones should not be used at any point in the school day. They will be kept inside your locker until dismissal. If you need to contact your child please call the school. Headphones may be utilized for classroom assignment under teacher direction.

Teacher Communication

The yellow team teachers are looking forward to working together with all of our yellow team families to help our students have a successful school year.

- Please check powerschool and your child's planner frequently to keep an eye on their grades and missing assignments.
- If any patterns of behavior that do not align with our expectations begin to arise, parents will be contacted by email or phone by the team.
- If you need to contact any of the yellow team teachers at any point during the school day please do so through email or Parent Square, if possible. It is the quickest and most effective way for us to communicate during the school day.

Chippens C.A.R.E.S. Everywhere!
