

The **MISSION** of Stewart Middle School is to provide a quality education for all students in a safe, supportive environment.

The **VISION** is to build a community of lifelong learners that become responsible individuals, independent thinkers, and productive citizens.

LEADING AND LEARNING

GOALS

- To improve community engagement and involvement in school initiatives and decision making
- To enhance and improve school communication strategies and practices
- To provide a challenging, comprehensive instructional and curricular program for all learners

We **BELIEVE** that we must...

- Create a safe and professional educational environment that is conducive to motivating learners and improving academic performance.
- Use student achievement data and school climate survey data to collaborate with one another and our stakeholders to positively impact student achievement.
- Produce self-confident, attentive, and knowledgeable members of our community.
- Provide an environment that is disciplined, fosters respect for one another, and engages them in life-long learning.
- Strive to meet the academic, emotional, physical, and social needs of each child.
- Cultivate the leadership potential of every employee, student, and parent in our community.
- Be creative, energetic visionaries who respond quickly to diverse and evolving issues.
- Maintain efficient and effective school processes for instruction, operations, human resources, and sound fiscal management.
