POLICY SUBCOMMITTEE MINUTES

In attendance: Jacob Eichenlaub, Hope; Melissa Nowell, Lincolnville; Beth Grierson, Appleton
and Kate Clark, Superintendent

1. The meeting was called to order at 5:03 PM.
2. Continued prioritization of policies to review: The subcommittee reviewed a review of the district's current policies in comparison with required/recommended policies from Drummond Woodsum and the required policy list from Maine School Board Association. The subcommittee decided to focus first on policies JJIF, JK, JKAA/JKAA-R, JKD, JKE/JKE-R, JKF/JKF-R and JLCD. The committee will review draft policies and meet in January to finalize the policies to recommend to the district boards.
3. Finalize GBGB Workplace Bullying for review and adoption by district boards: Jacob Eichenlaub moved to approve the draft of Policy GBGB for first reading by the district boards, seconded by Melissa Nowell. Vote: 3-0 in favor, motion carried.
4. Discussion: The possibility of a Policy Audit through MSBA: The Board tabled the idea of an audit by MSBA because Mrs. Clark's review and comparison data is sufficient to prioritize policies that need to be created or reviewed.
5. Melissa Nowell moved to adjourn, seconded by Beth Grierson. Vote: 3-0, meeting adjourned at 5:31 PM.

Respectfully submitted,

Kate Clark
