If your student will be late to school – please drop them at the main entrance (not at their classroom door). Thank you!

Due to COVID safety protocols, HES students will not be exchanging Valentines from home in the classrooms this year. Teachers may be planning in-school activities instead.

First Grade

First graders are learning about community. We have been reading stories and discussing who makes up a community. In art, they created a bulletin board filled with community members including firemen, schools, hospitals and snowmobilers. They have been enjoying integrating their reading with their art class.

Library Fun

In library, 7th graders have been studying land artists like Patrick Dougherty and Andy Goldsworthy and venturing outside to create some installations for our community to discover. Hobgoblins now decorate a few trees in our woods and ice mandalas will be spread throughout the campus to bring some joy and beauty to our days.

Art Night Out instructor needed! Five Town CSD Adult Ed is looking for an instructor for our popular one-night Art Night Out classes this spring. Art Night Out is an organization founded in Yarmouth, Maine to offer fun one-night classes in arts and crafts. Our area instructor recently moved out of state and we are looking for a new instructor. No experience in teaching art and crafts is needed as training will be provided. Call the adult ed office at 236-7800, ext. 3274 or email elyse.socker@fivetowns.net for more information.
