*"Perseverance is the hard work you do after you get tired of the hard work you already did."*

~Newt Gingrich

**June 17<sup>th</sup> will be an early release day. Students will be dismissed in the following order:**

**K-2: 11AM**

**3-5: 11:10AM**

**6-7: 11:20AM**

**ESEA Application for 2021-2022** Hope Elementary School accepts funding through the Elementary and Secondary Act (ESEA) of 1965. As part of ESEA, Hope Elementary School is required to provide reasonable opportunity for public comment on the consolidated application and consider such comment prior to the submission of the application. Hope Elementary School is accepting public comment on the ESEA application through June 30, 2021. Please contact Danielle Fagonde, HES Principal, to share your thoughts about the application's goals and priorities. There will be an opportunity for public comment at the June 14, 2021 school committee meeting.

5<sup>th</sup> grade students studied marine animals this trimester and created these impressive reports.

## FIVE TOWN FOOTBALL

Five Town Football is excited to announce that we will be hosting the annual Jammer Camp at True Park in Hope (Church St).

**This will be held July 13-16<sup>th</sup> from 5:30-7:30pm.** This camp is focused on skill development and conditioning drills to prepare for the fall football season.

The 2021 season find the 7<sup>th</sup> and 8<sup>th</sup> grade middle school team moving toward 8 man tackle version of play. This aligns with the CHRHS move to this format as well. Popular in other parts of the country, 8 man opens up the field for a faster, more exciting style of play. It also allows smaller teams to play a full season against similar sized programs.

Grade 3-6 still have the opportunity to participate in a traditional 11 player tackle league if there are adequate numbers of participants. If registration numbers are low, we will provide a intra squad tackle/flag football program.

Five Town Football provides a safe and fun opportunity for kids to get outside and enjoy football whether it's flag or tackle. Our mission is to promote leadership, teamwork, sportsmanship and community through student participation in youth football in the five town region.

**For more information and to register;** go to our website

[www.fivetownfootball.com](http://www.fivetownfootball.com) or visit our FTF Facebook page. FTF will closely follow the Maine CDC and public school guidelines regarding CoVid 19 recommendations for safe participation.

## news for students and parents

### IMPORTANT INFO FOR COLLEGE BOUND STUDENTS

Did you take the SAT or Accuplacer? Have you taken a placement exam to determine your fall course assignments in English and Math? Or has the college placed you into classes that may be referred to as “developmental”? Adult Education provides summer assistance to students placed in Developmental Level coursework. Working with us over the summer can save you time and money.

What is a Developmental Level course? Generally, any Math or English class that begins with the number “0” such as 065, 070, 030,

050. These courses prepare you for the rigors of college level course work, but they do not count toward your required graduation credits and they do not transfer to other colleges and universities. However, they DO cost the same per credit rate. With Adult Education, we can prepare you to enter directly into 100-level courses in the fall at no cost.

**If your scores are within the ranges below, you are likely required to take college coursework that will not count toward graduation requirements. You qualify for free services with Adult Education.**

	SAT	ACT (both are composite scores)	Accuplacer (English is combined R & W)	High School GPA 4.0 scale	High School GPA 100 point scale	HiSET (English is combined R & W)
<b>English</b>	350 - 440	15 - 17	430 - 489	2.0 - 2.74	70 - 79.99	16 - 29
<b>Math</b>	350 - 470	15 - 16	200 - 236	2.0 - 2.74	70 - 79.99	8 - 14

#### IMPORTANT INFORMATION ABOUT DEVELOPMENTAL COURSES

- Developmental courses prepare students for the rigors of college level course work;
- Developmental courses must be taken if a student places into them; \*
- Developmental courses cost the same per credit as college-level courses and qualify for financial aid;
- Developmental courses do not transfer to other colleges and universities and they do not count toward graduation requirements.

\* Unless a student attends a Maine Adult Education College and Career Access (formerly College Transitions) program and shows required academic gains through retaking the Accuplacer (free)

#### DRIVER'S EDUCATION

Classes begin every month with Roy's Driver and Rider Education. Instruction is done remotely and at home, CDC guidelines are followed for all driving instruction. Final exams are held at Camden Hills Regional High School.
