Dear School Leaders,

It's that time again! We're gearing up for this year's **Hannaford Helps Schools** program and are excited to partner with you.

**The 2021 program will run from March 14 through May 29.**

Here at Hannaford, we work hard to have as many relevant participating items as possible so it's easy to support your local schools while shopping for the items you love.

Please keep an eye out for your school packet within the next couple of weeks. We'll be sending along more emails with links to digital resources and more information.

Since the program's inception, we have raised nearly \$17 million to help local schools reach their fundraising goals. We look forward to another successful program!

Thanks,
