

The Hawk's Eye

Weekly News from Hope Elementary School

Welcome to HES Pre-K!

This was the first week for our youngest learners at HES. Pre-K students enjoyed a walk on the nature trails and practiced being together as a group. Here's a candid photo of some of our students expressing lots of emotions. We are off to a great start and delighted to have Mrs. Ingraham with us this year.

Upcoming Events for Your Calendar

- Sept. 22nd - HES Open House (6PM)
- Oct. 3rd - Fall NWEA testing window opens
- Oct. 10th - Indigenous Peoples' Day (NO SCHOOL)
- Oct. 20th - Parent/Teacher Conferences (early release at 11:30AM)
- Oct. 25th - School picture day
- Oct. 28th - Fall NWEA testing window closes

"He who dares to teach must never cease to learn."
~Richard Henry Dann

Reminder from the office:

Please email hessoffice@fiveowns.net if your child/children will be arriving late to school or have any other changes to their daily schedule. Thank you!

Flannel Fridays:

The middle school invites everyone to join them in wearing flannel on Fridays! Be comfy!

First Grade!

First grade has enjoyed working in the garden and playing games with numbers this week. We also learned about tools that a chef might use and tools those that a math student might use. Our tool theme will continue for the next several weeks.

Middle School Band & Chorus

Dear HES Families,

My name is Ms. Fiano and I am the new music teacher at Hope Elementary School! While this is my first year at Hope Elementary School, it will be my twelfth year in education! I have an undergraduate degree in music education from the University of Vermont, a master's in music from California State University: East Bay, and I concentrated in jazz guitar.

I am excited to announce that we are starting a band and choir at HES this year! All 6-8th grade students have received information and registration packets for both programs. Please sign and return both forms to your child's homeroom teacher by Thursday, September 22nd to register or opt out.

Looking forward to this year,
Ms. Fiano

10/20	Busline League Championship @ Troy Howard Middle School	Girls 3:45	Boys 4:30

Hello Hope Elementary Community,

Just a quick reminder that we will be hosting a dental screening and fluoride clinic here at the school on September, 22.

Permission slips were sent home for you to sign and return. Please indicate if you do or do not want your child to participate in this program.

The American Academy of Pediatrics, American Dental Association and the United States Preventative Services Task Force recommend fluoride varnish treatments 2-4 times per year or every 3 - 6 months to help strengthen the teeth.

We will host the second clinic again in the spring.

Wishing you all a relaxing, restorative weekend.

Be well,

Reagan
