Our fourth graders are going to the Camden Snow Bowl for the 'Learn to Ski/Snowboard' program. This program is sponsored by the Ragged Mountain Ski Club, and provides the fourth graders with the opportunity to go to the Snow Bowl 3 times. This was the first trip, and students had a great time! Some were nervous, but everyone persevered and learned a lot!

Community Heart and Soul Project

Dear friends, neighbors, and fellow Lincolnville residents,

We want to let you know about an exciting project happening in Lincolnville. As a part of the current Comprehensive Planning process, the town has received a grant from the Orton Family Foundation to participate in a Community Heart and Soul Project. The goal of this endeavor is to hear from as many voices in town as possible, to focus on what matters most, and then begin to implement actions to help us meet our collective goals. Phase One is *Imagine* where we will begin to create a better understanding of our community.

The official launch of this project will be **SUNDAY, FEBRUARY 5th, 1-3 PM, AT LINCOLNVILLE CENTRAL SCHOOL'S WALSH COMMON.** Everyone's invited - young and old, bring your neighbors, meet your neighbors, share some food (pizza donated by Lincolnville Improvement Association and Lincolnville Historical Society) and beverage. Interactive activities will help us start to answer the questions: "What do you appreciate about Lincolnville?" and, "What do you wish for its future?" There will also be activities for youth, ages 5 and older, provided by Tanglewood 4H Camp and Learning Center.

Onward together,
Lincolnville Heart and Soul Committee

Concert Change
