WOODLAND	3	0	9	4	2		18	
SECONDARY:								
MIDDLE SCHOOL	31	30	30	14	92	8	205	
HIGH SCHOOL	19	76	84	43	142	42	406	16 Spanish (other)
TOTAL	112	124	208	148	294	50	936	

A 6th category was added for the secondary schools because of the overwhelming amount of ideas and comments addressing the culture of the schools and suggesting ways to strengthen relationships in the school between classes; teachers, parents and students; with the other schools, among the diverse community of religion, race and ethnicity.

*Only for the High School the “other” category includes the submissions that had multiple ideas, usually more than 3 ideas listed and there wasn’t one dominate idea.
