Dear Parents and Guardians,

We cannot believe that it is already April, with only 8 weeks of school left! The month of April is a month full of important testing. Our teachers are making every minute count, which means we need our students in school all day, every day. Please review times for drop off and pick up, as well as early check out times. With exception of medical appointments, students should not be checked out early. We appreciate your support and understanding.
