Every Minute Counts!

Dear Parents and Guardians,

We have 20 days of school left! The school year has gone by so fast. Our teachers still have a lot of teaching and assessing to do during the last month of school. We appreciate all of the families that support our efforts to continue to make "Every Minute Count." Please review our hours of operation. We have had an increase in the number of students arriving late and being checked out early in the afternoon. With the exception of medical and dental appointments, we want our students in school every day.

Thank you for your continued support!
