JANUARY 2023

Welcome Back!!

We hope everyone had a safe and restful Winter Break. We are looking forward to an exciting second semester at Blanco Elementary School.

We have two new teachers on our staff. Mrs. Jennifer McDonald is teaching 6th grade and Ms. Aundrea Sayler is teaching 2nd grade. We would like to welcome both of them to our campus.

We have created a structured math intervention program for 4th and 5th grade students this semester. Students will go to the math lab each day to do number talks and play various math games that were developed by Dr. Leonard and Mr. Merker from the Math Teacher Leader Network. We are hopeful that the students will enjoy our new math lab and have fun while engaged in doing activities to improve their number sense.
