2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Everyone at Twin Oaks Elementary School believes that all students can learn. Our mission is to maintain a positive, safe and orderly learning environment where academic excellence is the standard, diversity is valued, and all children reach their full potential as students and as people through the 3 Pillars of Dual Immersion: Bilingualism & Biliteracy, Academic Achievement and Socio-cultural Competence. The staff at Twin Oaks Elementary School, in partnership with parents and community, is committed to developing responsible, resourceful, life-long learners in an atmosphere of mutual respect, pride, and cooperation. In accomplishing this mission, all students will acquire knowledge, skills, and attitudes to be successful in school and in a global society.

The Twin Oaks staff has high expectations for all students. We are committed to establishing a learning environment that is safe, inclusive, stimulating and motivating. Our staff is committed to the pursuit of excellence and works hard to ensure all students are successful. We encourage parental involvement and value the partnership between home and school. Our goal is for each student to experience a sense of pride and accomplishment.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Reading Writing Listening and Speaking

Students receive a standards-based curriculum designed to “help build creativity and innovation, critical thinking and problem solving, collaboration, and communication fulfilling California’s vision that all students graduate from our public-school system as lifelong learners and have the skills and knowledge necessary to be ready to assume their position in our global economy.”

ELA CCSS

Students use a variety of instructional materials in ELA to meet these instructional goals.

English Language Development (ELD)

English Learner students engage in daily ELD lessons. These lessons provide ELs challenging English language development to gain proficiency in a range of rigorous academic skills. ELD CCSS are imbedded in designated at integrated ELD time.

School Facility Conditions and Planned Improvements

School Facility Conditions and Planned Improvements

Twin Oaks Elementary opened in 1998 with 700 students, and we continue to average 700 students. We stagger our lunch period to relieve crowding on the playground. Our 3 playgrounds have been rebuilt with new floors throughout the school. Our school includes seven buildings and eight portable classrooms. Together they accommodate approximately 830 people. We have 32 classrooms, a multipurpose room, a library, and an administration building. The facilities are in excellent condition and are maintained by a dedicated custodial staff.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parent volunteers provide wonderful support to our classroom teachers. In addition to volunteering in classrooms, families are welcome to attend schoolwide events such as Family Fridays, Spirit Rallies and Spirit Days. Our school has an active Parent Teacher Organization, School Site Council, and English Learner Advisory Committee. Parent input is encouraged and valued.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Professional Development

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.

San Marcos Unified School District's Mission Statement includes these commitments:

- "hiring and retaining only the best educators and investing in their success."
- "providing quality education based on high standards, effective practices, continuous improvement, and innovation."

Every new teacher in our district engages in a rigorous 2 year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well as the National Institute of School Leadership (NISL).

Our elementary level focused professional learning on Orton Gillingham, Ready Mathematics, Professional Learning Communities, Gifted and Talented Education (GATE) Certification, and Synergy. Professional learning was grounded in meeting the academic and social emotional needs of students post pandemic. Ongoing training and PLC cycles supported learning recovery interventions in the classrooms and extended learning groups. A refocus on ongoing formative assessments and data driven discussions allowed for teachers to provide students with prescriptive academic and social emotional interventions and enrichment opportunities. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
