

SAN MARCOS HIGH SCHOOL KNIGHTS

Empowering personal growth and honorable contributions of all Knights

To whom it may concern,

San Marcos High School's visitation policy on all representatives of post-secondary institutions (including but not limited to: college and universities, military, and trade schools), requires a request to be sent at least one week prior to desired visit date AND requires approval from the Coordinator of the College and Career Center. You must have approval of a visitation to enter school grounds. When approved for a visit, the visit will take place only at lunch time (12:20PM-12:50PM) in either the College and Career Center or the Student Union, with a stationary set-up. Representatives are not allowed to walk around the campus and must stay within the designated areas unless otherwise approved.

Thank you for understanding.
