

Dear Parent/Guardian,

As part of the Title I, Title II, Title III, and Title IV program federal mandates, the School District of Washington is required to have a Parent Advisory Committee (PAC) who assists in the development and evaluation of the Title programs.

These programs are designed to help students achieve success in reading and math, to assist students in becoming proficient in speaking English, and to provide well-rounded education to unique groups of students.

The committee will be made up of parent representatives from throughout the District. The PAC will also include representatives from our teachers, administrators, specialized instructional support personnel, local government, and community based organizations.

The Fall/Winter PAC Meeting will be held at the Board of Education Office (220 Locust Street, Washington) on Wednesday, October 26, 2022 from 4:00pm to 5:00pm. A second meeting will be held via Zoom on October 27th from 9:30am to 10:30am. A link will be sent to you once you express interest in joining the committee. You only need to attend one of the meetings.

We will be working on reviewing programming data and making decisions for the 2023-2024 school year. If you are interested in participating on the Parent Advisory Committee, please RSVP to JoAnn at the district office at 636-231-2005 or email joann.spreckelmeyer@sdownmo.org. Your consideration of being part of this committee is greatly appreciated as parents are the greatest single indicator of a student's success in school.

Kind regards,

Maranda Anderson
Assistant Superintendent
