All athletes must include a current Athletic Physical in their registration. A child wellness visit will not take the place of an athletic physical. Here is the Tahoma Athletics Physical form:

Are there tryouts? Yes there are tryouts. Are you looking for athletes with previous experience? Middle School Baseball is for experienced and beginner athletes.

Where should athletes go on the first day of practice?

Go to the locker rooms to change into your practice gear. Then go out to the baseball field for attendance.

What time do practices start and end?

Practice starts right after school ends. We usually start attendance about 10-15 minutes after the school bell. Practice will end around 4:30-4:40.

When and where should parents pick up their kids for practice and games?

Pick up your athlete in front of the school in the bus pickup/dropoff lane. Please be sure to pick up your athlete on time, if the pickup time is a challenge, then we encourage athletes to carpool if possible.

We do not have an activity bus to take kids home for sports. Families will have to organize their own transportation.

What gear do athletes need to bring to practice? (Especially on the first day)

Will need to bring a Glove , Cleats and appropriate attire to play baseball (baseball pants and t-shirt). If your athlete has batting gloves and a bat feel free to bring those as well.

Can athletes store gear in the locker room? If you want to check out locks to athletes you can, but you will need to make sure athletes are supervised in the locker rooms if athletes are in there. Because of this, only football has used the lockers. The rest of the sports use the room across the hall from the main office.

Uniforms will be distributed to each athlete. Athletes are responsible for their care and will turn them back in at the end of the season. Lost or damaged uniforms will result in a fine. Coaches contact information
