

**Child Sexual Abuse and Assault
Response and Reporting**

The Clinton Board of Education (the “Board”) has adopted a uniform child sexual abuse and/or sexual assault response policy and reporting procedure in connection with the implementation of its sexual assault and abuse prevention and awareness program.

I. Procedures for Reporting of Child Sexual Abuse and/or Assault

- A. Students, or any individuals, may make written or verbal reports of suspected child sexual abuse and/or sexual assault to any school employee. For purposes of this policy, a “child” shall be considered any student enrolled in the Board’s schools, except for those enrolled only in an adult education program who are over the age of eighteen (18). The Safe School Climate Specialist or designee for the school in which the student is enrolled shall be notified of the report and shall cause such reports to be reviewed and actions taken consistent with this policy.
- B. School employees who receive a report of child sexual abuse and/or sexual assault and have reasonable cause to suspect or believe that a child has been sexually abused and/or assaulted shall report such suspicion to the appropriate authority in accordance with Board Policy #4300, pertaining to **REPORTS OF SUSPECTED ABUSE OR NEGLECT OF CHILDREN OR REPORTS OF SEXUAL ASSAULT OF STUDENTS BY SCHOOL EMPLOYEES**.

II. Procedures for Review of Reports of Child Sexual Abuse and/or Assault

- A. The Safe School Climate Specialist or designee for the school in which the student is enrolled shall be responsible for reviewing any reports of suspected child sexual abuse and/or sexual assault. In the event that the suspected child sexual abuse and/or sexual assault has not yet been reported to the appropriate authority in accordance with Board Policy #4300, pertaining to **REPORTS OF SUSPECTED ABUSE OR NEGLECT OF CHILDREN BY ANYONE OR SEXUAL ASSAULT OF STUDENTS BY SCHOOL EMPLOYEES**, the Safe School Climate Specialist or designee shall promptly cause such a report to be made.
- B. If/when such report alleges that a school employee, as defined by Conn. Gen. Stat. § 53a-65, is the perpetrator of child sexual abuse and/or sexual assault, the Safe School Climate Specialist or designee shall immediately notify the Superintendent of Schools or designee, who shall immediately notify the child’s parent or guardian that a report has been made to the appropriate authorities in accordance with Board Policy #4300, pertaining to **REPORTS OF SUSPECTED ABUSE OR NEGLECT OF CHILDREN OR REPORTS OF SEXUAL ASSAULT OF STUDENTS BY SCHOOL EMPLOYEES**. The notification requirement shall not apply if a parent or guardian is the individual suspected of perpetrating the child sexual abuse and/or sexual assault. If either a Department of Children and Families (“DCF”) investigation or a police investigation is pending pertaining to the report of suspected child sexual abuse and/or sexual assault, the Safe School Climate Specialist or designee shall obtain the permission

of DCF and/or the police department conducting the investigation prior to informing the parents/guardians of the report.

- C. The Safe School Climate Specialist or designee shall offer to meet with the students and the parents or guardians of the student about whom a report of suspected child sexual abuse and/or sexual assault has been made, in order to discuss the District's support procedures, including but not limited to: 1) actions that child victims of sexual abuse and/or sexual assault and their families may take to obtain assistance, 2) intervention and counseling options for child victims of sexual abuse and/or assault, and 3) access to educational resources to enable child victims of sexual abuse and/or sexual assault to succeed in school.
- D. In the event that the report of suspected child sexual abuse and/or sexual assault alleges that another student enrolled in the District is the perpetrator of the sexual abuse and/or sexual assault, the Safe School Climate Specialist or designee shall also take appropriate action to investigate or cause such a report to be investigated, and appropriate remedial actions taken, in accordance with Board Policy #4300, pertaining to **REPORTS OF SUSPECTED ABUSE OR NEGLECT OF CHILDREN OR REPORTS OF SEXUAL ASSAULT OF STUDENTS BY SCHOOL EMPLOYEES**, Board Policy #5130, pertaining to **Bullying Prevention and Intervention**, and Board Policy #5151, **Title IX, Sex Discrimination and Sexual Harassment**. In the event either a DCF investigation or a police investigation is pending pertaining to the report of suspected child sexual abuse and/or sexual assault, the Safe School Climate Specialist shall coordinate investigatory activities with DCF and/or the police in order to minimize the number of interviews of any child or student victim of sexual assault and share information with other persons authorized to conduct an investigation of child abuse or neglect, as appropriate and permitted by law.
- E. The Safe School Climate Specialist or designee shall develop a student support plan for anyone who has been a victim of child sexual abuse and/or sexual assault. The report of suspected sexual abuse and/or assault need not be verified prior to the implementation of a support plan. The elements of the support plan shall be determined in the discretion of the Safe School Climate Specialist or designee, and shall be designed to support the student victim's ability to access the school environment.
