

**POLICY RELATING TO BUDGET/FINANCE**

***PURCHASING AUTHORITY***

Authority to expend District funds for materials, equipment, supplies, and services is extended to the Superintendent as part of the budget authorization process.

Purchases of materials, equipment, supplies and services for the District shall be made in accordance with Chapter 30B, other applicable laws of the Commonwealth and District policy.

The purchase of items and services requires no further Committee approval except when required by law or Committee policy.
