Integrated Preschool Program Application 2023-2024

The Integrated Preschool Program's mission is to provide a developmentally appropriate education that meets the needs of all children. Each class is taught by a teacher trained in Early Childhood Education. The public school calendar is followed. Parents must provide their own transportation.

The preschool program offers half day sessions, morning and afternoon. Depending upon the number of applications received, there may be a lottery held for available preschool openings. **The times listed below are subject to change.** Returning students will be given priority for next year. Applications will be accepted at the Early Childhood Center, via mail or email ([Marcia Wiles@wrsd.net](mailto:Marcia.Wiles@wrsd.net)).
