

Dear Grade 8 Families,

On November 2nd we will be taking grade 8 students to the high school for a step-up day. Students will learn about the classes, clubs, and activities that make OSHS a great place. We will leave the middle school after lunch, around 11:30, and will remain at the HS through the rest of the afternoon. At the end of the school day, students may take their normal bus home from the high school, take a bus back to the middle school, or get picked up. Please complete the form below and have students turn it in to their homeroom teachers by Wednesday, October 26.

On November 2nd, I would like....

_____ my child to take their regular bus home from the high school.
