

**Teacher Referral/Testing Request Form
Colleton County School District
Grades 3-8
Academic Program**

This is a request for my student to be included in the screening process for the possible identification in Colleton County School District's Gifted/Talented Academic Program. I understand that requests for screening must be returned to the district by mail, postmarked no later than September 18, 2019. Students who have already met the state requirements to be identified as Gifted/Talented do not need to be retested.

Date

Teacher's Signature

- ❖ Screening is a multi-step process. Testing will take place during regular school hours within the school building. There is no virtual testing option. Initial screening will take place in October or November.
- ❖ Student data will be reviewed by the Evaluation and Placement Committee after all test results are available, and identified students will be eligible for placement into the program.
- ❖ Students in grades 3-8 will be notified by letter by the close of the school year regarding the results of this screening/evaluation process.
- ❖ Students in grade two do not need to be referred for testing. All second grade students will undergo testing in October and November. Students and their parents will be notified if they qualify for gifted programming.

Students who have already met the state requirements to be identified as Gifted/Talented should not be referred.
