Individual teachers may request additional items.

Effingham High School

Masks-5	<p>Needed class supplies are class specific and are dependent on the classes in the students schedule. Teachers should direct high school students toward the needed supplies on one of the first days of class. However, a general guide would be to have notebooks and folders or a binder for each of your academic classes.</p>	<p>Students will not be able to use lockers so each student should consider the need for a backpack.</p>
---------	---	---

All High School students are encouraged to bring **their own hand sanitizers, wipes, and kleenex for personal use.**
