General

It is strongly encouraged to have regular access to the internet and a computer with a working printer. Headphones are also necessary for online texts and programs. Additionally, students will be using Google Classroom in all classes.

Students are able to use the computer lab to print before school, during SSB, and after school with permission from a teacher!

Backpacks with wheels will not fit in the lockers. Due to fire regulations, all student materials must be kept in a locker.

The use of a reusable water bottle is encouraged.

PLEASE PRACTICE HOW TO OPEN AND CLOSE A COMBINATION LOCK BEFORE SCHOOL STARTS. WE DO WORK ON IT ALL DAY ON THE FIRST DAY, BUT THOSE WHO CAN MANAGE THIS QUICKLY HAVE REDUCED STRESS THROUGHOUT THE FIRST WEEK.

Inexpensive headphones should be kept at school to use in class and in the computer labs.
