School Improvement Leadership Team 2021-2022

Functions as the building's school improvement team. The group becomes intimately involved with the work of the Equity, Professional Development, Student Learning & Engagement, and Social Emotional Learning committees, and unifies their work to inform the goal setting and action step processes for school improvement.

Team Members: Principal, Associate Principal, Assistant Principal, Dean of Students, Interim Dean of Students, Equity Committee Chair, Professional Development Committee Chair, Student Learning & Engagement Committee Chair, Social Emotional Learning Committee Chair, & CFT Rep.

Equity Committee	Professional Development Committee	Student Learning & Engagement Committee	Social Emotional Learning Committee
<p>The goal of the Equity Committee is to ensure we meet the needs of our diverse community by addressing the following initiatives:</p> <ul style="list-style-type: none"> ● In consultation with district administrators, create and/or conduct mandatory diversity and inclusion, equity, and implicit bias training as directed in the Unit 4 Board Resolution. ● Identify practices and strategies to recruit and retain a staff that is ethnically and culturally diverse. ● Identify ways to consider and challenge staff understanding of racism that moves from awareness to anti-racism ● Identify and remove barriers (systems, practices, & mindsets) to increase engagement/access/trust for our families. ● Create a formal document to identify systems of supports, and formal structures to create safe and equitable spaces for LGBTQ+ students and their allies. Provide professional development around the system and awareness. 	<p>The goal of the Professional Development Committee is to ensure we meet the needs of staff by addressing the following initiatives:</p> <ul style="list-style-type: none"> ● Develop a plan for teachers to learn various digital instructional strategies and multiple types of digital learning applications to support student learning. ● Provide professional development on culturally relevant teaching, incorporating strategies for practical application in the classroom. ● Create a plan to provide professional development on providing differentiated instruction to meet diverse learner needs. ● Create professional development that focus on specific roles/content areas and are differentiated to meet the needs of educators. 	<p>The goal of the Student Learning & Engagement Committee is to ensure we meet the needs of staff by addressing the following initiatives:</p> <ul style="list-style-type: none"> ● Identify 2-3 high yield instructional strategies connected to Danielson Framework in consultation with the Teaching and Learning Department. ● Use a social justice lens to identify and remove barriers within systems and practices to increase student engagement in our spaces. ● Create a list of culturally relevant resources and research based pedagogy to share with staff across curricular areas. ● Create a menu of options that infuse authentic social and emotional learning experiences in classrooms and different spaces within our school. ● Identify instructional strategies that allow for differentiation, student choice, and multiple pathways to student achievement. 	<p>The goal of the Social Emotional Learning Committee is to ensure we meet the needs of staff by addressing the following initiatives:</p> <ul style="list-style-type: none"> ● Create a system of emotional support for staff and families, including the creation of safe spaces for discussion and access to self-care resources and coping strategies. ● Develop a data-driven system of supports to address the emotional needs of students with a specific emphasis on trauma based supports. ● Develop age appropriate lessons to address social emotional needs of students based on data and share with staff. ● Research and identify for potential implementation a Restorative Justice model for managing student discipline and supporting positive relationships between students and between staff and students.
