SCHOOL DISTRICT

VOLUNTEER HANDBOOK

We are pleased that you are interested in becoming a volunteer for the St. Joseph School District. Your time with our students will provide positive adult interaction, and will enrich their education. We appreciate that your time and skills are gifts to the students of the St. Joseph School District.

Please take time to read this handbook. The handbook contains the qualifications required to become a volunteer, types of support that can be helpful to the school district, and other pertinent information. Your orientation to volunteering in the school setting will be facilitated by a building level coordinator of volunteers. The orientation's purpose is to acclimate you to being a volunteer in a public-school setting, and to provide you with additional information that may enhance your volunteer work.

We wish for you a rewarding experience. There are good things happening in the St. Joseph School District, and we are excited to have you be a part of them. If you have additional questions, or need other information, please feel free to contact your building volunteer coordinator, or call the Human Resources Office at 816-671-4002.

Dr. Brian Kraus
Assistant Superintendent of Human Resources

The district reserves the right to require any volunteer to submit to additional criminal background checks or to rerun background checks at any time.

The district may update all required criminal background checks at least every five years if the person is still volunteering for the district or on district property. The district may decline to utilize the services of volunteers who refuse to participate.

As a condition of continuing to volunteer within the district, volunteers required to submit to a criminal background check (Level 2 Volunteers) must notify the district if they are charged, convicted, plead guilty to or are otherwise found guilty of any misdemeanor or felony, regardless of the imposition of sentence. This notification must be made as soon as possible, but no later than five business days after the event and is in addition to any reporting requirement established by law.

Individuals on the sex offender registry, or who have pled guilty, pled *nolo contedere* or who have been convicted of crimes for which the law currently requires offenders to be listed, cannot act as Volunteers in the District. See Board Policy KK.

Requirement to Follow Board Policy

Volunteers are required to abide by Board Policy, Procedure, the law, and directives of staff supervising the Volunteer’s work in the District and District administrators. Failure to abide by this requirement is grounds for removal as a volunteer in the District. The District’s Board Policies are available here:

Keep information you learn about students between yourself and your teacher. All volunteers completing an application are agreeing to keep student information confidential and follow applicable FERPA requirements.
