

APOLOGIES TO OUR STUDENTS AND PARENTS!!

The CUSD Food Service Department apologizes for the continued changes occurring with our menus due to non-receipt of product.

Our vendors continue to experience shortages affecting office staff, warehouse workers and drivers due to the Pandemic. The result of this shortage is an ongoing non-receipt of MANY products ordered/menued = MENU CHANGES.

As IS usual - our dedicated food service staff are working diligently to provide a nutritious breakfast and lunch for EACH and EVERY student EACH calendared school day!

Please be patient with us as we continue to navigate the ongoing unavailability and receipt of product.

Sincerely,

Calaveras USD Nutrition Staff
