Greetings from your high school alma mater, Abington High School!

The Abington High School Athletic Hall of Fame was established in 2014 to publicly recognize and pay tribute to some of the most talented graduates in Abington High's history. They may include memorable athletes such as a 1,000 point scorer from AHS basketball, or a dominating football lineman or running back, or an outstanding baseball or softball pitcher, or a dynamic coach or team captain, or an entire championship team. You may have played with such a person, or perhaps you remember watching them from the bleachers. There are many quality candidates, and Nominating Committee will be striving to ensure that the honor of being inducted into Abington High School's Athletic Hall of Fame is celebrated with a memorable induction ceremony, the presentation of a unique sterling silver lapel pin, and the maintenance of a permanent Hall of Fame display area.

When the Town of Abington voted in October 2014 to approve the construction of a new Abington Middle/High School, a permanent Hall of Fame Wall was designed and constructed as part of our recognition of Abington High's finest student-athletes. This display is located in the public lobby of the school's gymnasium and auditorium area so that future visitors to Abington High School can view and appreciate the names of those former athletes or coaches whose outstanding athletic accomplishments were an integral part of AHS sports history. **The future of the AHS Athletic Hall of Fame will be supported and funded entirely by private donations;** no public dollars were used to establish the Hall of Fame. With your contribution, we will continually add more names to this impressive public display and expand the Hall of Fame's membership for years to come . . . *Can you help?*

We ask you to please consider joining the new "**CORNERSTONE CLUB**", a critical part of the future success of Abington High's Athletic Hall of Fame. A special "**CORNERSTONE CLUB**" **plaque** will be included as part of the permanent Hall of Fame display. This plaque would be a permanent roster of those donors and/or alumni who made a capital gift to help fund and maintain the Hall of Fame, and to help fund future Induction Ceremonies. There are three gift levels in the **CORNERSTONE CLUB**:

MEMBER: \$1,000 - \$4,999

INVESTOR: \$5,000 - \$9,999

BENEFACTOR: \$10,000+

Your gift can be acknowledged by permanently inscribing your individual name and year of graduation (John Smith AHS '74), your family's name, your business name, your AHS Class, or in honor of a deceased AHS student or coach. We hope that you and your family will invest in this unique opportunity.

If you would like to become a member of the **CORNERSTONE CLUB**, your contribution should be made payable to "**AHS Athletic Hall of Fame, Inc.**", and will remain segregated in our Hall of Fame account (we operate independently from Abington High School). Please simply fill out and return the attached form with your contribution. We sincerely thank you for your consideration, and thank you for your support of your Athletic Hall of Fame.
