### Course Description

Students will study major events and turning points that have shaped the modern world from the 1500's to present day. This course is not taught in chronological order, but examines the world's religions, exploration, colonization, economies, conflicts and their impacts on the past, present and future world.

### Materials Needed

- 1" 3-ring binder with clear plastic front cover (heavy-duty)
- College ruled paper
- Pencils, pens and colored pencils
- Optional - 8 dividers (for each unit we cover)

### Grades

- Grades will be based on accumulated scores during the semester. These include warm-ups, student binder/two-column notes, classwork, homework, tests and a final exam.
- Students' grades can be viewed online via the PowerStudent/Parent link on the ECHS webpage.

### Expectations & Procedures

- All Carteret County Schools COVID-19 protocols must be followed at all times.
- All ECHS and Carteret County rules and procedures will be followed.

### Guidelines to Success

- Positive mental attitude and ready to learn.
- Participate in class discussions, guided questions and presentations. Get organized and maintain your 3-ring binder. (This will be graded.)
- Answer guided questions and test questions with more, not less information.
- Take pride in your work
- If you have questions, don't hesitate to come see me to discuss options for a successful learning experience.
