

Math 3

Math 4

Spring 2021

East Carteret High School

Classroom Policies:

1. Students follow all rules and regulations concerning the new school environment with the Corona Virus.
2. Students follow all rules and guidelines in accordance with the East Carteret High School handbook.
3. Students must always wear masks and practice social distancing with 6 feet of separation.
4. Students need to be in their classrooms at the designated times in relation with the bell schedule. Tardiness will not be tolerated.
5. Respect one another and all school personnel always.
6. Be prepared for class at the start of class each day.
7. Students must stay awake and attentive throughout the class period. (No sleeping)
8. No food or drinks in the classroom. Bottled water is acceptable.
9. No cell phones or unapproved electronics or technology during the class period.
10. Students will remain engaged until the bell rings for dismissal. No packing up and standing at the door.
11. No swearing or cursing at any time.
12. Be prepared for no bathroom breaks.
13. No chewing gum in the classroom. Mints are fine.
14. Show RESPECT AT ALL TIMES!!

Consequences:

1. Verbal Warning and Documentation
2. Parent Contact (Email/Phone Call)
3. Office Referral
4. Parent Conference

Grading and Student work:

- GRADES MATTER THIS SEMESTER
- You can expect at 60 minutes of online work whether you are 100% virtual or in a cohort
- Assignments given on Monday and Tuesday are due on Wednesday of that week.
- Assignments given on Wednesday, Thursday, and Friday are due that Friday.
- The assignments are due the week they are assigned. Make sure to understand when the assignments are due. If you submit an assignment late it will receive a zero. Make sure you keep up with your assignments and their due dates!!

Math 3 and Math 4 Syllabus (Spring 2021)

- Cheating of any sort **WILL NOT BE TOLERATED!** Any cheating will result in a zero for all parties involved and disciplinary action will be taken.
- Grades will come from tests, quizzes, homework, and participation.
- Students may complete test corrections on any Test. You will have 3 days to complete the corrections.
- Homework will be given on most days. It will be checked regularly for effort and completion. Effort is very important in learning mathematical subjects.
- Students will be required to do assignments through the IXL website that reinforces the lessons and provides practice for the mathematical subjects.
- A 3 ring binder will be required for notes, handouts, assignments and homework. Notebooks will be checked. (All virtual students should keep notes for future reference)

Grading: Math 4:

Tests: 50%

Quizzes: 30%

IXL's: 10%

Homework and Participation: 10%

Math 3:

Tests: 50%

Quizzes: 30%

IXL's: 10%

Homework and Participation: 10%

Math 3 requires taking the EOC(End of Course) Final Exam which will count as 25% of the overall semester grade.

Math 4: A final exam will be given and count as 25% of the overall semester grade. Do not know whether it will be state test or teacher-made test?

Calculators:

Calculators will be provided for in-class use only. Desmos and various other online graphing calculators will suffice for online assignments.

Recommendations for Success:

- **Maintain a routine whether you are in a face-to-face cohort or virtual.**
- **Best case scenario would be to complete your work and assignments between 8:00 AM and 3:10 PM daily.**

IMPORTANT:

Math 3 and Math 4 Syllabus (Spring 2021)

I do realize there may be circumstances that prevent completing your assignments on time. Just keep in mind that my virtual hours are Monday through Friday from 8:00 AM to 3:10 PM and I am not available after 3:10 PM or on weekends to answer questions or address any concerns. To clarify, if you send me an email at 6:30 PM on Tuesday, you will not receive a reply until sometime Wednesday between 8:00 AM and 3:10 PM.

Please read the rules and guidelines concerning the return to school during the Corona Virus crisis. Strict enforcement of these rules will be followed. Please be aware of all the changes occurring in our school!!

Please read the Student Handbook and Student Code of Conduct.

During my office hours I will respond to email questions and conduct real-time tutoring via Google Meet (upon request). You may also schedule (through the main office) a face-to-face (social-distanced) meeting with me for instructional support.

I really look forward to a very successful semester. **All students need to stay focused and disciplined to have success in the class.**

If you have any questions please feel free to contact me at the school at 252-728-3514 or email me at mark.willis@carterek12.org. It should be noted that, since we do not know how the semester will play out or progress, the outlined policies and procedures above are subject to change. Just remember, class and assignments will be due even if we are all doing the virtual and distance learning.

Thanks and Stay Safe!!
