

Code of Student Conduct

Carteret County Public School System

School disciplinary procedures are designed “to provide a safe and productive learning environment, to continually teach students to respect themselves, others, and property, and to conduct themselves in a manner that fosters their own learning and the learning of those around them” (N.C.G.S. 115C-390.1). Students must respect the law and the rights of others while on any school building or bus, school campus, grounds, recreational area, athletic field, or other property under the control of the local board of education. These standards also apply with respect to student conduct not occurring on educational property when misconduct has or is reasonably expected to have a direct and immediate impact on the orderly and efficient operation of the schools or the safety of individuals in the school environment. Consequences for conduct violations are provided in the chart below but may deviate from what is listed, as follows:

- The administrator may recommend longer suspensions on a case-by-case basis with approval from the superintendent and his/her designee, such as for students with multiple offenses across categories or when a single behavior is particularly severe.
- The administrator may also choose alternative consequences in lieu of suspension on a case-by-case basis, such as in-school suspension, restitution (to the extent permitted by law), mediation, peer mediation, conflict resolution, after-school detention, Saturday School, and/or others.
- Any out-of-school suspension will include school counselor notification and reasonable attempts to hold a parent conference (in person or by phone).

Conduct violations listed in Carteret County School Board Policy Policy 4335, Section C, must be reported to law enforcement by the principal. Other misbehaviors listed below will be reported to law enforcement by the principal based on the nature and severity of the offending behavior. Misbehaviors are succinctly defined in the chart below.

Please refer to the designated Carteret County School Board Policy for a complete and proper understanding of a violation. Policies can be accessed on the school system’s web site at www.carteretcountyschools.org or from the school’s main office.
