

# Croatan High School

## Academic Success Strategies

- Go to class...on time!
- When possible, sit in the front and center.
- Get and use books and other learning resources right away.
- Become familiar with Croatan website and technologies.
- Use the library for research and study.
- Seek assistance early when you don't understand material. (Difference between A and B students.)
- Know policies and procedures--
  - Attendance Policy
  - Student Conduct
  - Policies, Procedures, Services
  - Academic Integrity
- Practice good time management
  - Resources (calendar, handbook, planners)
  - Know peak performance times
- Watch for the warning signs of stress: nutrition, sleep, disturbances, caffeine, drugs, alcohol, relationships.
- Get to know faculty. Ask good questions of faculty.
- Take pride in academic integrity.
- Get involved with clubs and extra-curricular activities.
- Form study groups. Attend tutorials.
- Enjoy making new friends.
- Speak well. Smile.
- Understand that struggle and stretch are parts of the learning process.
- Pay attention to progress towards graduation. Meet with counselors.
- Stay focused, positive and on track.
