

# SENIOR ADS

Dear Parents and Guardians:

It is that time to buy your special senior their ad in their senior yearbook publication. Both you and your student have digital photos you may want to use for their senior page.

Gather them all up and email them to us or send them on a flash drive that we will return after we are done with the layout. We can also scan your student's childhood pictures. Just be sure to put them in a Ziploc bag with your order form so all photos can be returned once your ad is approved.

There is no need to layout photos yourself. All photos must have at least 300 pixel resolution to work with our software. Refer to the guidelines below for more specific information.
