Dragonfly Max & Hallsville App:

Our Athletic & Activities Department is moving away from the current communication tool, Remind, and joining the Hallsville App and DragonFly Max!

Athletic & Activities updates will now be sent via the Hallsville App! In settings, be sure to turn on notifications for Athletics & Activities! You can download the free Hallsville App here:

For program specific communication (football, softball, NHS, FBLA), program sponsors will use a new communication and student management system called **DragonFly Max!** This online system will replace our current Remind system starting July 1, 2020. DragonFly allows parents and guardians to upload sports physicals, sign registration forms, and communicate with program sponsors. **Families and student participants need to register online or download and register using the DragonFly Max App to continue receiving updates from coaches and sponsors!**
