

PowerSchool Parent Portal/School Messenger Access

The Parent Portal allows families to access all of their child's attendance, grades, schedules and other important information. You can also choose your contact preferences for the School Messenger Notification System.

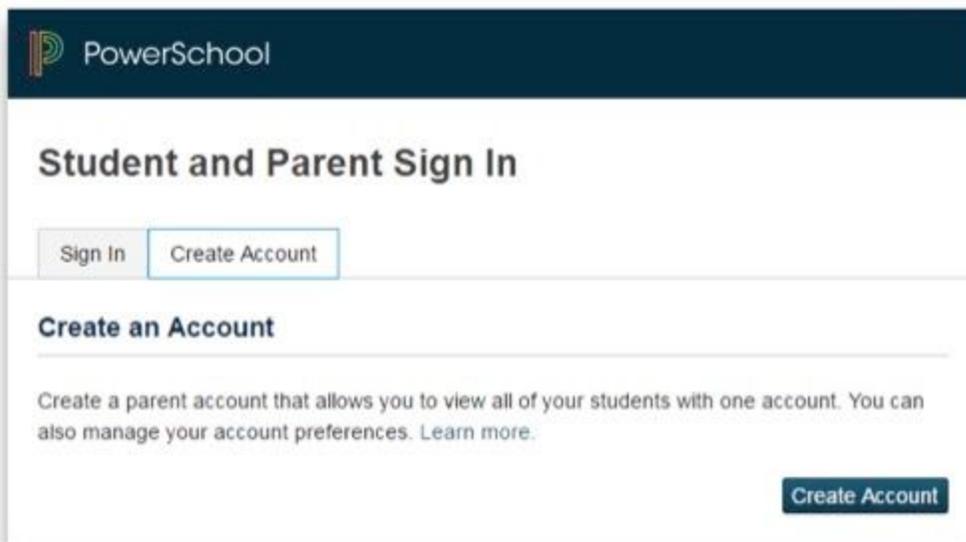

You are able to access all of your students with one account. Parents **MUST** create an account using each student's:

- Unique web access ID
- Unique password

Your child's school provides these. If you do not have your student's information, please contact the school directly.

Point your browser to <https://ps.kgcs.k12.va.us/public/home.html>

1. Click the Create Account button to get started.

2. Enter parent/guardian name, email, username, password (at least 6 characters)
Link student(s) to your account.

****Contact the school(s) to get the unique web ID and password.**

This is not the same as the student's 8 digit ID number. This is only available through Power School. The school secretary can provide parents with this information.

4. Login to Parent Portal

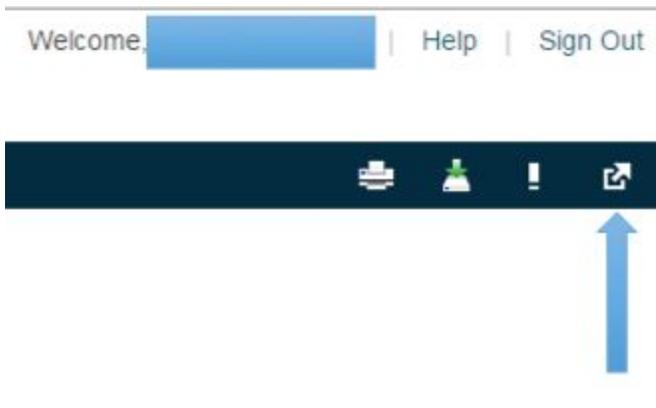

The screenshot shows the PowerSchool login page. At the top left is the PowerSchool logo. Below it is the heading "Student and Parent Sign In". There are two tabs: "Sign In" (selected) and "Create Account". A message reads: "Congratulations! Your new Parent Account has been created. Enter your Username and Password to start using your new account." Below this are two input fields: "Username" with the text "jdoe" and "Password" with masked characters ".....". A link "Forgot Username or Password?" is centered below the password field. A "Sign In" button is located at the bottom right.

5. The School Messenger at the bottom of the Navigation bar is a link to the School Messenger website. To access School Messenger in Parent Portal, find the APPLICATIONS arrow at the top of the menu bar. See the screenshot in the next step. If you experience any difficulties here, please contact your child's school.

6. Find the APPLICATIONS arrow at the top of the menu bar..
