

Plainfield Central Middle School
Late Bus Permission

Dear Parents and Guardians:

Three late bus routes have been established throughout town with designated 'cluster stops' for each route. The 'cluster stops' are listed on the back of this permission form. Late buses will be available **Tuesday and Thursday** starting Tuesday, September 28, 2021. Buses will leave school at approximately 4:00 PM.

Parents do have the option of picking their children up at the neighborhood 'cluster stop' or allowing them to walk home from the stop. Students may also be picked up at the school. Please ensure that anyone picking up your son/daughter at school is listed on the information sheet and has your permission to do so along with the proper identification.

In order for your son/daughter to ride the late bus, students **must** have a signed parent permission slip on file. Permission over the telephone **will not be accepted**. If giving permission for your child to ride the bus, please make sure he/she knows the route color and the stop location. It will be up to your child to let the after-school supervising staff member know where he/she needs to get off.

Example: First Street would be Route-Blue, Stop- Ball Park

Sincerely,

Scott Gagnon, Principal

-----Cut here and return-----

Please sign and return

My child has permission to ride the late bus. I realize that he/she will be dropped off at a cluster stop and I am responsible for transportation from that point or he/she may walk home.
