Teachers may use sick days in partial increments in order to supplement partial paid day leaves under pandemic relief laws so that the combination of the partial paid day through pandemic relief and partial sick days equal a full day of pay for pandemic relief qualified leaves.

2. PREGNANCY LEAVE (BY STATUTE)

- A. A teacher who is pregnant may continue in active employment as late into pregnancy as she wishes, if she can fulfill the requirements of her position.

Temporary disability caused by pregnancy shall be governed by the following:

1. Any teacher who is pregnant shall be granted leave of absence any time between the commencement of her pregnancy and one (1) year following the birth of the child, if she notifies the Superintendent at least thirty (30) days before the date on which she wishes to start her leave. She shall notify the Superintendent of the expected length of this leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. However, in the case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this section, immediately on her request and the certification of the emergency from an attending physician.
2. All or part of a leave taken by a teacher because of a temporary disability caused by pregnancy may be charged, at her discretion, to her available sick days. However, the teacher is not entitled to take accumulated sick leave days when the teacher's physician certifies that the teacher is capable of performing the teacher's regular teaching duties. The teacher is entitled to complete the remaining leave without pay. However, the teacher may receive compensation for the pregnancy leave pursuant to a collective bargaining agreement or, if the teacher is not represented by an exclusive representative, by board policy.
3. A teacher resigning for pregnancy reasons may request a letter from the School Board stating that she will be considered for re-employment if a vacancy exists in her area of certification. Re-employment shall be based upon current administrative evaluations and recommendation.

Ten days of accumulated sick leave may also be used for family illness.
- E. The emergency leave days in A, B, C, and D are non-cumulative.

6. EMPLOYMENT INJURY LEAVE
