

X. Smart Snacks in Schools Rule

The Sponsor agrees to:

1. Implement Section 10 of the Child Nutrition Act of 1966, 42 USC 1779, as amended by the Healthy, Hunger-Free Kids Act of 2010 which requires that all food sold outside of the school meal program, on the school campus and at any time during the school day must meet the nutrition standards set forth in the Final Rule titled "National School Lunch Program and School Breakfast Program: Nutrition Standards for All Foods Sold in School as Required by the Healthy, Hunger-Free Kids Act of 2010."
2. Follow the exempt fundraiser frequency established by the Kansas State Board of Education. "One exempt fundraiser per school organization per semester that does not meet the Nutrition Standards for All Foods Sold in School during the school day (midnight before to 30 minutes after the end of the school day) on school grounds will be allowed. An organization is defined as a school group that is approved by the local board of education. Length of the organization's exempt fundraiser cannot exceed 2 days." Exempted fundraiser foods or beverages may not be sold in competition with school meals in the food serving area during meal service. There is no frequency or time limit on fundraisers during which food or beverage items that meet the nutrition standards are sold; nor are there any limits on non-food fundraiser activities.
3. Proceeds from the sale of all competitive foods must accrue to the food service fund, to the school, or to approved student organizations.
4. Maintain records such as receipts, nutrition labels and product specifications. Food service maintains records for competitive foods sold under the nonprofit school food service account. The Local Educational Agency maintains records for all other competitive food sales.
