The role of the District's Board is to govern the community's public schools by making the major decisions for the District as a whole. The Board collectively makes these decisions and individual Board members do not have the power to speak or act for the Board. The Board as a whole, by working with the Superintendent to make decisions that will best serve the District's students, will govern the community's schools. Accordingly, complaints or concerns made to Board members will be referred to the appropriate District point of contact for resolution.

## Welcome Letter

Cardinal Families,

Welcome to another exciting year of learning at Clinton Middle School! We are thrilled to have you join our school family for the 2022-2023 school year. Clinton Middle School has numerous opportunities to provide each student a challenging education in a safe, supportive environment that promotes self-discipline, motivation, and excellence in learning.

The Clinton Middle School Student/Parent Handbook and Clinton District Codebook provides a great deal of important information regarding our programs and services, as well as our policies and procedures. Please take time to read the handbook thoroughly and discuss this information with your student/s. This relationship between home and school helps to promote the well-being of our children and their learning process.

We strive to keep the lines of communication open between home and school. To do this, we will utilize our school website, PowerSchool, and social media pages to get information out to our parents in a timely manner.

Please feel free to contact any member of our school staff if you have any questions or concerns. We encourage a close proactive relationship with our families and look forward to working with you. Clinton Middle School is a wonderful environment for developing young minds and we hope to create lasting memories for your student/s. Please remember our door is always open for questions, comments or concerns.

Here is to an amazing 2022-2023 school year, Clinton Cardinals!

Sincerely,

Mrs. Jill Chapman

## Attendance and Absence Procedures S-115-S

### *Expectations for Attendance*

Attendance is essential for learning. By law, all children must attend school from the age of 7 until the age of 17. Parents/guardians are accountable for the attendance of their child. The District will inform parents/guardians of their student's absence and support families when attendance becomes a concern. It is the responsibility of the student to make up work due to an absence. Students who wish to participate in school-sponsored activities must attend school the entire day on which the activity occurs, unless the principal has pre-approved the absence based upon special circumstances. The administration makes the final determination regarding whether an absence is excused or unexcused.

### *Procedures for Reporting an Absence*

The Middle School day begins at 7:45 a.m. and ends at 3:00 p.m. Students are expected to be present at school daily. A student may receive an early dismissal from school at the request of their parents. Such requests should be limited to health reasons such as dental or medical appointments that cannot be scheduled outside of the school day. Permission for early dismissal should be obtained in the front office prior to the start of classes. A full day of attendance is required to participate in afterschool and weekend activities unless prior approval is granted by the principal or activities director.

### *Excused Absences*

Parents or students must provide proper notification and documentation to the school showing the absence was unavoidable for an absence to be excused. It is the responsibility of the student to make up work with teacher support when a student's absence is excused. The timelines for turning in make-up work will be determined with the teacher.

Parents must report a student's absence by 9:30 a.m. on the morning of the absence by calling the office telephone number, 660-885-3353. If the parent has failed to call the school, a written excuse from the parent and/or a doctor's note stating the reason for the absence will be necessary for the absence to be verified. The school will contact parents who do not report a student's absence by the designated time. When a student is released early from school to a parent or guardian, it constitutes an absence. In general, prior notification is required when a student is dismissed early and the student must be checked out through the office. The administration may request documentation to determine whether an absence is excused. Excused absences are allowed for:

- Illness of the student
- Medical appointments that cannot be scheduled outside the school day
- Serious illness or death of a family member
- Religious observances
- School-sponsored activities (e.g., field trips, athletics, competitions, etc.)
- Court appearances or other legal situations beyond the control of the family
- Emergency situations as approved by the principal

- Visits from a parent or guardian on active military duty who is on leave from, will be immediately deployed, or immediately returned with notification and approval of the principal
- Suspensions
- An absence which has been requested and approved in advance by the principal due to exceptional circumstances. In these situations, make-up work should be requested in advance of the absence and any tests, projects, or in-class assignments will be made up at the direction of the teacher.

It is the **student's responsibility** to check with each of his or her teachers to obtain missed assignments. Assignments will be recorded as zeros until the student work is made up in the allotted time allowed. If the parent has failed to call the school, a written excuse from the parent and/or a doctor's note stating the reason for the absence will be necessary for the absence to be verified.

#### *Unexcused Absences*

Absence for reasons other than the categories of excusable reasons, or that does not have the proper documentation for an excused absence as determined by the principal, will be considered unexcused. Students who have an unexcused absence are encouraged to make-up the work to aid learning. The timelines for turning in make-up work and any impact on grading will be according to the guidelines of the building and at the direction of the teacher. Excessive, unexcused absences will result in written notice from the principal to the parents/guardians. The principal may request a parent/guardian conference to discuss attendance concerns and a collaborative plan may be developed to remove barriers to attendance. When attendance remains problematic, the school may contact the appropriate agencies and/or authorities for assistance.

#### *Late Arrival/Tardiness*

A late arrival or tardy occurs when a student arrives after the expected class period has begun, as determined by the District. The District will count tardiness as an absence.

#### *Truancy*

Truancy is when the student is absent from school without permission of the parents/guardians or school official. Truancy includes, but is not limited to, skipped classes, falsely informing the school about the reason(s) for the absence, or absences that have not been pre-arranged and pre-approved as excused. The District may assign disciplinary measures for truancy. Students who are truant are encouraged to make-up the work to aid learning. The timelines for turning in make-up work and any impact on grading will be according to the guidelines of the building and at the direction of the teacher. Families are entitled to appeal assigned consequences to the Superintendent or designee.

In order to receive course credit, or to be considered for promotion to the next grade level, a student must be present a minimum of 90 percent of the scheduled attendance days per semester and receive a passing grade in the course. Absences shall not exceed

five (8) days per semester. Parents will be advised by letter when the student has been absent three (3) of the scheduled semester days. If the student exceeds the eight-day limit, the parent will be advised by letter.

### Dress Code S-180-S

The purpose of a dress code is to contribute to a safe, healthy environment that protects students and maintains a focus on learning. The dress code included in this handbook provides guidance to students and parents as to what constitutes appropriate attire for school and school activities. District administrators have the discretion to determine whether a garment or manner of dress not specifically described below is appropriate attire for school and school activities and/or causes a disruption to the educational environment. Administrators have the authority to take action to address dress code matters as they arise. The following District guidelines should be observed:

#### *Dress Code Expectations and Prohibitions*

Shirts and shoes must be worn. Clothing should be properly fitted (not overly restrictive or loose). Coverage of the body is expected. Therefore, the following garments are not permitted:

1. House shoes or slippers;
2. See-through garments;
3. Tops that are backless, strapless, low-cut, bare-midriff, have overly-large arm openings; or spaghetti straps;
4. Clothing that does not cover undergarments when a student is sitting or standing;
5. Undergarments worn as outerwear;
6. Clothing that does not fit reasonably and covers the front and backside in an appropriate manner;
7. Clothing with profane, obscene, or otherwise inappropriate language;
8. Clothing with words, symbols or images that promote illegal, sexual, or violent behavior;
9. Clothing with advertisements or promotion of alcohol, tobacco, or drugs;
10. Language or symbols that promote gangs;
11. Hats and hoods (hooded sweatshirts worn up), except on designated spirit days;
12. Do-rags;
13. Handkerchiefs;
14. Sunglasses, except on designated spirit days;
15. Face paint;
16. Other wear that restricts the line of sight of a student's face and/or facial recognition may not be worn (although exceptions will be made by the principal for head coverings that have religious significance, are worn for medical reasons, or are for a specific, school-sponsored event);
17. Blankets carried or worn as coats or wraps while in the building, except on designated spirit days;
18. Heavy or loose chains, or straps that create a safety risk.

### *Additional Dress Code Information*

Courses and/or class activities that require observance of specific safety requirements may require adjustments of a student's clothing, accessories, or hair style for the duration of the class (e.g., hair pulled back and/or hair nets for culinary classes or other safety wear, etc.). Other dress code requirements may be articulated for students participating in certain extracurricular activities.

Violations of the District dress code will be addressed with remedial actions and/or consequences. Building administrators have the final decision as to the appropriateness of all clothing and attire.

### Food Service Program F-285-S

#### *Free and Reduced Lunch Application*

State guidelines will be used to determine free and reduced lunch and breakfast recipients for students unable to pay full price of meals served. Family size and income criteria will be used to determine eligibility. Parents and students may be asked to verify eligibility. Application forms are available in the office.

#### *Breakfast and Lunch*

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price.

The lunchroom management and students will appreciate cooperation in:

1. Depositing all litter in proper containers.
2. Returning all trays and utensils to the dishwashing area.
3. Leaving the table and floor around your place in a clean condition for others.

The school meal program is operated on a non-profit basis. The Clinton School Board of Education sets the cost of school lunch and breakfast. The student's ID will be presented to the cashier and scanned when exiting the food line each day. Students may deposit weekly, monthly, or larger sums into their account. (Daily deposits are discouraged). Envelopes will be provided and deposits left at the office. The student's name, grade, and account number must be provided on the envelope. Online lunch account deposits are encouraged. Online payments can be made at <https://clintonmo.revtrak.net/>. Breakfast will be available each morning in the cafeteria between 7:25-7:40.

All students must report to the cafeteria during their scheduled lunch shift. If a student is late to their class following lunch, he/she will be considered tardy. If a student is more than five minutes late, it will be considered truancy.

**Clinton Middle School has a closed lunch session.** Outside food deliveries such as Doordash, Uber Eats, etc. are NOT permitted between 7:25 am to 3:00pm. This includes during lunch shift., both inside and outside. Any food deliveries made during this time will be held in the office until dismissal for student pick up.

*Breakfast* - Cost \$1.55

### Allergy Prevention and Response S-145-S

The District is required to ensure students with allergies are safe at school through planned prevention and response to a student's allergic reaction. For purposes of District policy and related procedures, an allergic reaction occurs when the immune system overreacts to a typically harmless substance and may be mild to life-threatening. Allergy prevention and response protocols apply to all school locations, including non academic, school-sponsored activities and transportation provided by the District. The Board authorizes the Superintendent or designee to develop and implement procedures to protect the health and well-being of students with significant allergies.

Parents/guardians should provide, at the time of enrollment, information on any allergies the student may have. The school nurse may request written permission from the parents/guardians to communicate with a student's health care provider as needed. Staff members are trained annually on risk reduction strategies, symptom recognition, and response procedures. The school nurse has an emergency kit available and accessible in all school buildings containing prefilled auto syringes of epinephrine and asthma-related medications as allowed by District rules.

The District will provide age-appropriate education for students, consistent with state learning standards, including potential causes of allergic reactions, information on avoiding allergens, symptoms of allergic reactions, and simple steps a student can take to keep classmates safe.

All processed foods, including food sold in vending machines, are labeled with a complete list of ingredients on each individual package. Ingredient lists will be created for all food provided through the District's nutrition program, including before- and after-school programs, which are available upon request. This also applies to items sold as part of concessions, fundraisers, and classroom activities.

### *Individual Approaches*

The District will evaluate and determine whether a student's allergies rises to the level of a disability that require accommodations through the provisions of an Individual Education Plan (IEP) or Section 504 Plan (504). For those students

who have allergies that do not rise to the level of disability, a designated team may develop an Individual Health Plan (IHP) and/or Emergency Action Plan (EAP). Staff who have a need to know about a student's allergies and plan will be informed and trained, and all staff members will follow any IEP, 504 Plan, IHP, and/or EAP.

A student's health information and individualized plan will be kept confidential and not shared with those who do not have a need to know unless authorized by the parent/guardian or as allowed by the Family Educational Rights and Privacy Act (FERPA). The District will communicate and collaborate at least annually with parents/guardians regarding the student's allergies, medications, restrictions/precautions, emergency contacts and any other relevant information to keep the student safe.

### Health Services S-215-S

Health services are provided under the direction of a school nurse. The school nurse for your student's building may provide services in other buildings as well. Although the nurse may not be physically present at all times in a specific building, the nurse is always on call and there are trained employees in the building to provide first aid, dispense medication, and support the needs presented in the health office.

### *Illnesses/Injuries*

The Middle School has a health room so if a student becomes ill or injured at school, the nurse will assess the health of the student and parent contact may be made. The school district ***does not*** carry medical insurance for accidents occurring at school. If you are feeling ill, please request to see the nurse and allow her to contact your parents as needed. **Students are not to use their cell phone to contact their parents without authorization of the nurse or someone in the administration office. If students use cell phones without prior permission, they may be subject to disciplinary action.**

Students will be sent home for illness, fever, diarrhea or vomiting. They will need to speak with the school nurse or employee about when a student can return to school. Please see the "**Return to Learn**" guidelines for specifics on when a student will be excluded due to illness and when they can return.

### *Health Screenings*

Clinton School District will do health screens on a select group of students annually in the following areas: vision, hearing, dental, height/weight, blood pressure and pulse. A copy of the student's health fair screening form will be sent home with the student on the day of the screenings. The building nurse will notify parents/guardians by mail if a referral is recommended.

### *Health Office*

If you have any questions, please contact Lynny Taylor, CMS nurse 660-885-3353.

### Administration of Medication S-135-S

All medication is kept in the health office and no medication will be dispensed without written parental permission, including over-the-counter medication. Many medications can be given at home before or after school. When this is not possible, medication should be brought directly to the health office by the parent and must be accompanied by the following information:

*Non-Prescription Medication* – Non-Prescription medication must be sent to school in the original unopened container. A written note from the parent/guardian with the student's name, reason for the medication, the time the medication is to be given, the dosage prescribed, and the number of days the medication is to be administered at school. These medications include, but are not limited to, allergy medication, decongestants, cough syrup, ibuprofen (Advil), acetaminophen (Tylenol), cough drops, or other.

*Prescription Medication* – Prescription medication must be sent to school in the original prescription container. The prescription label will serve as the written permission from the physician. If the doctor has given samples of medication, then a written note from the physician is necessary and should include the name of the student, the medication, and the dosage prescribed. The nurse may need to clarify prescription orders with the provider. The nurse will not administer the first dose of a new prescription.

When a student has a health condition which needs accommodation or may necessitate emergency care, it is important that the school nurse be informed. Examples of a health condition that would need to be shared with the school nurse include severe allergies, asthma, diabetes, hearing loss, seizure disorder, etc. This would include situations when a physician recommends a student assume responsibility for self-medication. The nurse may request a release of information from the student's health care provider and the information may be shared with necessary District staff members on a need to know basis. Please contact Lynne Taylor, CMS nurse, 660-885-3353.

### Communicable Diseases F-245-S

Parents/guardians must notify the District if their student has a communicable disease. Parents/guardians may be required to provide written approval from the student's treating physician in order for their student to attend school. The District reserves the right to prevent student attendance until clarification or implementation of precautionary measures are in place. Parents/guardians are required to notify the District if they are enrolling or have a student attending school who is HIV positive.

Medical information of students is highly confidential, and the District will take necessary steps to protect the medical information of students and ensure that such

information is released only to those with a need-to-know and/or individuals and entities who are required by law to be notified of certain health and medical information.

Students with a communicable disease who exhibit behaviors that increase the chances of their condition being spread to other individuals, may be subject to discipline/remedial action in accordance with the discipline code, and state and federal law.

#### *Immunizations and Vaccinations*

It is unlawful for any student to attend school unless the student has been immunized according to Missouri School Immunization Law or unless a signed statement of medical or religious exemption is on file at the school, which is described in all enrollment information. Parents/guardians should bring immunization records at the time of enrollment and obtain additional immunizations as required by state law.

#### Student Insurance S-140-S

The District recommends student accident insurance for the protection of a student and parents/guardians. It is the responsibility of the parents/guardians to arrange insurance coverage as the District does not assume financial responsibility for student injuries.

Students participating in interscholastic athletics are required to have insurance coverage. This may be in the form of either family coverage or the coverage offered through the District. Missouri State High School Activities Association (MSHSAA), requires that a student be covered through insurance before being allowed to practice or compete for a school team. The student will not be allowed to participate in interscholastic practices or competitions until proof of insurance is provided.

The District also provides information about MO HealthNet for Kids (MHK), Missouri's Medicaid program, to qualifying families who enroll students in the District. Parents who complete an application for free and reduced-priced meals (FRL), and who indicate on the application form a child does not have insurance, will be notified by the District that the MHK program is available. Forms for MHK may be accessed at:

#### Student Records S-125-S

##### *Access to and Release of Student Information*

All parents/guardians may inspect and review their student's education records, seek amendments, consent to disclosures and file complaints regarding the records as allowed by law. The parents'/guardians' rights relating to the education records transfer to the student once the student becomes an eligible student; however, parents/guardians maintain some rights to inspect student records even after a student turns 18. The District allows access to records to either parent, regardless of divorce, custody or visitation rights, unless the District is provided with legal documents that the parent's rights to inspect records have been modified.

### *Directory Information*

Directory information is information about a student that generally is not considered harmful or an invasion of privacy if disclosed without the consent of a parent or eligible student. The District will designate the types of information included in directory information and may release this information without obtaining consent from a parent or eligible student unless a parent or eligible student notifies the District in writing. Parents and eligible students will be notified annually of the information the District has designated as directory information and the process for notifying the District if they do not want the information released. Even if parents or eligible students notify the District in writing that they do not want directory information disclosed, the District may still disclose the information if required or allowed by law. For example, the District may require students to disclose their names, District email addresses in classes in which they are enrolled, or students may be required to wear or display a student identification card that exhibits information designated as directory information. The District designates the following items as directory information:

*General Directory Information:* The following personally identifiable information about a student may be disclosed by the District without first obtaining written consent from a parent or eligible student: Student's name; date and place of birth; parents' names; grade level; enrollment status (e.g., full-time or part-time); student identification number; user identification used by the student for the purposes of accessing or communicating in electronic systems as long as that information alone cannot be used to access protected educational records; participation in District-sponsored or District-recognized activities and sports; weight and height of members of athletic teams; dates of attendance; degrees, honors and awards received; artwork or course work displayed by the District; schools or school Districts previously attended; and photographs, videotapes, digital images and recorded sound unless such records would be considered harmful or an invasion of privacy.

*Limited Directory Information:* In addition to general directory information, a student's address, telephone number and email address; and the parents' addresses, telephone numbers and email addresses may be disclosed to: school officials with a legitimate educational interest; parent groups or booster clubs that are recognized by the Board and are created solely to work with the District, its staff, students and parents and to raise funds for District activities; parents of other students enrolled in the same school as the student whose information is released; students enrolled in the same school as the student whose information is released; governmental entities including, but not limited to, law enforcement, the juvenile office and the Children's Division (CD) of the Department of Social Services.

### *Release*

Parents or guardians may designate additional adult(s) to have access to their student's records by requesting a Family Educational Rights and Privacy Act (FERPA) release form. This form is provided with the enrollment paperwork.

### *Notice*

Parents/Guardians and/or eligible students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education

#### Student Discipline S-170-S

##### *Student Code of Conduct*

The District believes students deserve the right to participate and learn in a safe environment which allows teachers to focus on instruction that accelerates achievement. To ensure that school is a quality atmosphere for all students at all times, the code of conduct and discipline policies outline consequences for misconduct that occurs at school, during a school activity whether on- or off-campus, on District transportation, or misconduct that involves the use of District technology. All District personnel are responsible to supervise and hold students accountable for violations of discipline rules.

Failure to obey standards of conduct may result in, yet is not limited to, verbal warning, community service, confiscation of property, principal/student conference, parent contact, loss of credit, grade reduction, course failure, removal from extracurricular activities, revocation of privileges including transportation, parking and technology privileges, detention, in- or out-of-school suspension, expulsion, and report to law enforcement. For offenses involving academic integrity, the student may also be subject to a loss of credit for work, a grade reduction, and/or course failure. The Board authorizes the immediate removal of a student who poses a threat to self or others as determined by the principal, Superintendent, or the Board.

Any student who is suspended for any serious violation of the District's Student Discipline policy shall not be allowed while suspended to be within 1,000 feet of any school property or any activity of the District, regardless of where the activity takes place, unless:

1. Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the Superintendent or the Superintendent's designee has authorized the student to be on school property;
2. Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the Superintendent or the Superintendent's designee has authorized the student to be on school property;

3. Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the District where such student attended school; or
4. Such student resides within one thousand feet of any public school in the District where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

If a student engages in an act of violence, a school administrator will report the information to teachers and other District employees who are responsible for the student's education or otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. Additionally, school administrators will report to the appropriate law enforcement agencies any crimes as required by law.

Corporal punishment is strictly prohibited as a method of discipline. Reasonable force may be used, when necessary, for the protection of a student or others and property. The District limits the use of seclusion or restraint to situations or conditions in which there is imminent danger of physical harm to self or others.

Students with disabilities will be disciplined in compliance with state and federal laws per the Individuals with Disabilities Act (IDEA), Section 504 of the Rehabilitation Plan, and any regulations and state and local compliance plans, which includes due process rights as afforded to all students. Additionally, a student's Individual Education Plan (IEP), including any portion that is related to past or potentially future violent behavior, will be provided to appropriate staff members with a need to know.

Information regarding a student's misconduct and discipline is confidential and only shared with those who have a need to know. Teachers and other authorized District personnel shall not be civilly liable when acting in conformity with District policies, including the discipline policy, or when reporting acts of school violence to a supervisor or other person as mandated by law.

The District discipline policy and procedures will be provided to every student at the beginning of each year, be published on the District website, and made available in the office of the Superintendent during normal business hours.

This code applies to all misbehavior committed by a student on District property, at any school-sponsored activity or event whether on- or off-campus, and District transportation. Additionally, the District may use its authority to address behavior that occurs off-campus if it interferes with the operation of the school or endangers the safety of students or staff.

#### *Standards of Conduct and Consequences*

No document can identify every possible offense that could potentially result in disciplinary action. This code identifies most offenses constituting a failure to obey the standards of conduct set by the Board. However, when circumstances warrant, the

principal, Superintendent, and/or Board may impose consequences for misconduct not specifically outlined in this document.

### Complaints or Concerns C-120-S

Effective communication helps avoid and resolve many complaints, concerns, misunderstandings and disagreements. Individuals who have a complaint or concern should discuss their concerns with the school personnel involved in the issue at hand in an effort to resolve problems. This step will usually involve communicating directly with the person or persons with whom the complainant has a concern. This step may be skipped when the complainant in good faith believes that speaking directly to the person would subject the complainant to discrimination, harassment or retaliation.

This step may also be skipped if the complainant in good faith believes that any law or a District policy or written rule has been violated. The District has adopted specific procedures for investigation and resolution for complaints or concerns as required by specific and varying laws that are applicable to the District. The District's Compliance Officer should be contacted with any complaints or concerns that any law or District written rule has been violated, including but not limited to, laws relating to: civil rights, including discrimination, harassment, and retaliation; special education matters including the IEP and 504 processes and services; federal programs and related services; bullying; and The Family Educational Rights and Privacy Act, including student records and confidentiality.

When communicating directly with the school personnel involved in the issue does not resolve matters satisfactorily, or if it is appropriate to skip the first step as described above, a complainant should consult with the District's Compliance Officer who will direct the complainant to the appropriate process for resolution of the complaint. The District designates the following individual to act as the District's Compliance Officer:

Name: Dr. Christian Meier  
Phone #: 660-885-2237  
Email Address: [cmeier@clintoncardinals.org](mailto:cmeier@clintoncardinals.org)

In the event the District's Compliance Officer is unavailable or is the subject of a report that would otherwise be made to the Compliance Officer, reports should instead be directed to the alternative Compliance Officer:

Name: Mr. Brian Wishard  
Phone #: 660-885-2237  
Email Address: [bwishard@clintoncardinals.org](mailto:bwishard@clintoncardinals.org)

All complaints of violation of any law or a District policy or written rule will be promptly investigated by the District, and appropriate action will be taken. Complainants are strongly encouraged to provide their concerns in writing.

Equal Opportunity and Prohibition against Harassment, Discrimination, and Retaliation C-130-S

The District is committed to providing equal opportunity in all areas of admission, recruiting, hiring, employment, retention, promotion, contracted services, and access to programs, services, activities, and facilities. The District strictly prohibits any unlawful discrimination or harassment against any person because of race, color, religion, disability, age, sex, gender, national origin, or any other characteristic protected by law. The District also prohibits retaliatory action, harassment, or discrimination against individuals who make complaints of, report, or otherwise participate in the investigation of any such unlawful discrimination, harassment, or retaliation. The District is an equal opportunity employer.

Anyone who believes that they have been discriminated, harassed, and/or retaliated against in violation of this policy should report the alleged discrimination, harassment and/or retaliation to the District's Compliance Officer. The District designates the following individual to act as the District's Compliance Officer:

Name: Dr. Christian Meier  
Phone #: 660-885-2237  
Email: cmeier@clintoncardinals.org

In the event the Compliance Officer is unavailable or is the subject of a report that would otherwise be made to the Compliance Officer, reports should instead be directed to the alternative Compliance Officer:

Name: Mr. Brian Wishard  
Phone #: 660-885-2237  
Email: bwishard@clintoncardinals.org

All employees, students, and visitors who have witnessed any incident or behavior that could constitute discrimination, harassment, or retaliation under this policy must immediately report such incident or behavior to the District's Compliance Officer for investigation.

All complaints of violation of this policy will be promptly investigated by the District, and appropriate action will be taken.

Title IX C-131-S

The District does not discriminate on the basis of sex in the education program or activity that it operates and is required by Title IX not to discriminate in such a manner. The requirement not to discriminate in the education program or activity extends to admissions and employment. Inquiries about the application of Title IX to the District may be referred to the Title IX Coordinator or Assistant Secretary for Civil Rights of the Department of Education, or both.

The District designates the following individual to serve as the District's Title IX Coordinator:

Name or Title: Assistant Superintendent  
Address: 701 S. 8<sup>th</sup> Street, Clinton, Missouri 64735  
Email Address: [cmeier@clintoncardinals.org](mailto:cmeier@clintoncardinals.org)  
Phone #: 660-885-2237

Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.

All employees, students, and visitors who have witnessed, heard about, or received a report about any incident or behavior that could constitute sexual harassment under this policy must immediately report such incident or behavior to the District's Title IX Coordinator for investigation. If the allegations are against the District's Title IX Coordinator, it must be immediately reported to the Superintendent, unless the Superintendent is also the Title IX Coordinator, then to the President of the Board of Education.

All complaints of violation of this policy will be promptly investigated by the District, and appropriate action will be taken.

Desks, lockers, and other District property provided for student use are subject to periodic and random inspections without notice.

Student property may be searched based upon reasonable suspicion of a violation of school rules or law and an examination of facts, credible information, or reasonable inferences based upon the facts and circumstances. Searches will be conducted in the presence of an adult witness.

Students are allowed the privilege of parking on school premises. The District has the authority to monitor vehicles and the parking lots of its campuses. The interior of a student's vehicle may be searched if the administration has reasonable suspicion that the search will reveal evidence that the student has or is violating school rules and/or the law.

Law enforcement will be contacted if a search produces a controlled substance, drug paraphernalia, weapons, stolen goods, or evidence of a crime.

### Student Alcohol/Drug Abuse S-195-S

The District takes measures to foster a safe and drug-free learning environment that supports student engagement and development. Therefore, educational programs are provided to help students cultivate healthy lifestyles and age-appropriate drug awareness. All use, sale, transfer, distribution, possession, or being under the influence of unauthorized prescription drugs, alcohol, narcotic substances, unauthorized inhalants, controlled substances, illegal drugs, or counterfeit substances on any District property, vehicles, or at District-sponsored events is strictly prohibited. Suspected or known violations of the District policy should be immediately reported to school authorities. Any incidents that violate this policy are subject to disciplinary action and notification to law enforcement. Any confiscated substances will be turned over to law enforcement.

In cases where it is necessary for a student to take prescription or over-the-counter medications during the school day, the medication must be documented by the nurse's office in accordance with written label directions and parental permission in compliance with District rules. (*See the Handbook's section on Administration of Medication for more information.*)

Any drug/alcohol offense may result in one or more of the following:

Administrator/Student conference, detention, in-school suspension, 1-180 days out-of-school suspension or expulsion, restitution if appropriate, loss of privileges including, but not limited to: confiscation of the contraband item, loss of parking privileges, loss of technology privileges, and referral to law enforcement. (*See the Handbook's section on Student Discipline for more information.*)

### Weapons in School S-200-S

The District strictly prohibits unauthorized possession or use of weapons on District property, at District-sponsored activities, either on- or off-campus, and District transportation. Weapons will be confiscated and reported to law enforcement authorities.

Examples of prohibited weapons may include, but are not limited to, blackjack, concealable firearm, explosive weapon, firearm, firearm silencer, gas gun, knife, machine gun, knuckles, projectile weapon, rifle, shotgun, spring gun, switchblade or any knife, mace spray, or any other items customarily used, or which can be used, to inflict injury upon another person or property.

By law, a student who brings a weapon prohibited by law on school property will be expelled or suspended from school for at least one calendar year and referred to law enforcement. The expulsion or suspension may be modified on a case-by-case basis upon the recommendation of the Superintendent to the Board. Other provisions of the discipline code related to the offense may be applied in addition to the consequences required by law. Students with disabilities who violate this policy will be reviewed under the provisions of the Individuals with Disabilities Act (IDEA) and/or Section 504 of the Rehabilitation Act.

## Instruction

### *Grading and Reporting System*

As a district, we strive to use the most effective grading practices by only including scores that relate to the achievement of Missouri Learning Standards and by using a variety of assessment methods to collect high quality, organized evidence of learning.

Students and parents may check student grades at any time on PowerSchool. Grades will be updated by teachers a minimum of every two weeks, and grade cards will be sent home with students at designated times.

Because teachers, parents, and students have access to **PowerSchool**, **it will be used as our number one source of communication for grades**. Teachers may include comments and/or descriptions for each assignment.

If a student has not turned in an assignment, it will be recorded as a zero (0). Hitting “submit” in Google Classroom or turning in a paper does not qualify for a score. The work must be completed, submitted, graded and entered into PowerSchool for the score to change from a zero. Teachers will not rush to grade students’ late assignments as work turned in on time will take priority. All assignments have due dates/deadlines that are reasonable for each assignment given. Students who choose to turn in assignments after the scheduled due date might have to wait for the late assignment to be graded. They might also receive a deduction in their score. Late work and/or zeros for missing assignments could result in the loss of Payday or other incentives. Please refer to your individual teacher’s syllabus to ensure classroom policies regarding late or missed assignments are understood.

### *Grade Cards*

CMS will use a semester grading calendar therefore only storing grades for a semester. Permanent grade verifications will only be run at the end of a semester. Student grades can always be found on PowerSchool.

The following are the dates related to grading and grade cards:

  - Progress reports will NOT be mailed home, but can be found in PowerSchool

*PROMOTION POLICY*

To earn promotion from one grade level to the next, each student will be expected to earn a minimum of three (3) credits in core classes (English, Science, Math, and Social Studies), one (1) credit in Physical Education/Health, and two (2) additional credits in other enrolled classes. 1/2 credit may be earned per semester for each class with a grade of D- or better.

Failure in more than one subject may result in retention. The principal shall make a final decision on each case based upon the advice of the school counselor, the student’s teachers, and upon the student’s total record. The student’s parents or guardians will be properly informed of the student’s academic progress as the year develops, and their input will be considered as a part of the final decision regarding promotion or retention.

At the principal’s discretion, students may be given the option of attending a qualified summer school class in the subject area they failed. Upon the successful completion of that course(s), promotion would be reconsidered. The following is a list of curricular offerings and the units of credit given for each:

Communication Arts	1 Unit	1/2 Each Semester
Social Studies	1 Unit	1/2 Each Semester
Math	1 Unit	1/2 Each Semester
Science	1 Unit	1/2 Each Semester
P.E./Health	1 Unit	1/2 Each Semester
All Elective Subjects	2 Units	1/2 Each Semester

*Assessment Program I-195-S*

All students will participate in the required statewide screening and assessment program or an alternative assessment as determined by a student’s Individual Education Plan (IEP). The District will comply with all assessment requirements for students with disabilities. The District has a written assessment plan, which is updated and posted annually on the District’s website.

*Teaching About Human Sexuality I-120-S*

Students will be provided instruction regarding human sexuality that is appropriate for students’ age and gender. Students in 6th grade through 12th grade will be provided training regarding sexual abuse that is trauma-informed and developmentally appropriate. District Policy provides information about the requirements related to content. Parents/guardians have the right to remove their student from any part of human sexuality instruction or sexual abuse training. All curriculum materials used in

the District's human sexuality instruction and sexual abuse training are available for review prior to its use in instruction.

*Section 504 I-125-S*

The District is required to undertake measures to identify and locate every qualified disabled person residing in the District who is not receiving a public education; and take appropriate steps to notify disabled persons and their parents or guardians of the District's duty.

The District will provide free appropriate public education (FAPE) to each qualified disabled person in the District's jurisdiction regardless of the nature or severity of the person's disability. For purposes of Section 504 of the Rehabilitation Act of 1973, the provision of an appropriate education is the provision of regular or special and related aids and services that are designed to meet individual educational needs of disabled persons as adequately as the needs of nondisabled persons are met and are based on adherence to procedures that satisfy the requirements of the Section 504 federal regulations.

The District has developed a 504 Procedures Manual for the implementation of federal regulations for Section 504 of the Rehabilitation Act, Subpart D. This Procedures Manual may be reviewed Monday – Friday 8:00 am – 3:00 pm in the office of Tammy Prewitt, Director of Special Education, 660-885-2237 ext. 8205, [tprewitt@clintoncardinals.org](mailto:tprewitt@clintoncardinals.org). Alternative times are available by request.

This notice will be provided in native languages as appropriate.

*Special Education I-125-S*

The District is required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the District, regardless of the severity of the disability, including children attending private schools, children who live outside the District but are attending a private school within the District, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The District assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The District assures that it will provide information and referral services necessary to assist the State of Missouri in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The District assures that personally identifiable information collected, used, or maintained by the District for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the District to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The District has developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA).

This plan may be reviewed Monday – Friday 8:00 am – 3:00 pm in the office of Tammy Prewitt, Director of Special Education, 660-885-2237 ext. 8205, [tprewitt@clintoncardinals.org](mailto:tprewitt@clintoncardinals.org). Alternative times are available by request.

This notice will be provided in native languages as appropriate.

#### *Virtual/Online Courses I-160-S*

The District offers online classes for students for acceleration, credit recovery, and options for students who need flexible schedules. The courses are taught by Missouri teachers, are aligned with the Missouri State Learning Standards, and follow the same semester calendar as face-to-face classes. The requirements for the enrollment and approval process are outlined in District Policy. Students whose educational interests are best served through on-line options may take up to six credits per semester.

For more information regarding online courses, consult the secondary course catalog and/or speak with your school counselor. Additional information about resources and processes may be accessed on the District's website at <https://www.clintoncardinals.org/cms/one.aspx?portalId=4285651&pageId=22258978> and District Policy.

#### Technology F-265-S

##### *Technology Devices and Acceptable Use Policy*

The District maintains an environment that promotes ethical and responsible conduct in all online network activities by employees and students. All authorized users are expected to acknowledge and comply with the rules and policies of technology usage and the District network.

Students are provided with opportunities to utilize district technology at the discretion of district personnel. Students are prohibited from using any type of electronic device without permission, or recording audio or visual information without express

permission for educational purposes and as allowed by District rules, or using technology in a manner inconsistent with the terms of the Technology Usage Agreement.

#### *Cell Phones and Technology Devices*

Clinton Middle School does not allow students to use their cell phones, smart watches, air pods or other personal electronic devices during the school day. This includes classrooms, hallways, cafeteria, and during Cardinal Time, unless approved by building administrators. These items are not part of the learning process and are a distraction to the teaching and learning environment. These items are to be stored away and out of sight from 7:45 am until dismissal at 3:00 pm. Parents needing to contact their student may reach the school office at 660-885-3353 to relay information to them. If a student chooses to take out their unapproved electronic devices, the classroom teacher will take said device/s and turn it into the office to be retrieved at the end of the day. This will be logged as a discipline offense. If any student has had their device/s confiscated 2 or more times, a parent/guardian will be required each time to come up to the main office to retrieve the device. Further discipline will be enforced for habitual abuse of the electronic device policy.

Contents of electronic devices may be reviewed and searched by school administration if there exists a reasonable suspicion that it may have been used in an activity prohibited by the Code of Conduct.

The student assumes all risks in bringing electronic devices onto school property or to school related functions. Clinton School District assumes no responsibility for theft, loss, or damage of an electronic device brought to school. Students bring these devices at their own risk. Students are encouraged to secure their devices at all times for safe keeping.

#### *Acceptable Use*

All use of District devices and Internet usage must support educational purposes consistent with the District mission. Network accounts must be accessed only by the authorized user of the assigned account without an expectation of privacy from the District. Employee and student subscriptions to mailing lists and bulletin boards require prior approval by the system administrator. All online activity will be respectful and align with the code of conduct, discipline, and other related policies of the District. All technology of students will be monitored in compliance with the Children's Internet Protection Act (CIPA).

#### *Unacceptable Use*

Any use of the network for commercial, for-profit, political purposes or advertisement is prohibited. Excessive use of the network for personal business may be cause for disciplinary action. No use of the network may be used to disrupt the use of the network by others or to destroy, modify, or abuse the system in any manner. District resources

may not be used to download software or other files unrelated to its mission. Use of the network to access or process pornographic, dangerous, or inappropriate files as determined by the administrator is prohibited. The network may not be used to download, duplicate, or distribute copyrighted materials. The network shall not be used for any unlawful purposes. Use of profanity, harassing, or other offensive or discriminatory language is prohibited.

### *User Agreements*

Parents and, when age-appropriate, students are required to review and sign User Agreements in order to access District technology. (See User Agreement form in this handbook.)

### *Safety and Cybersecurity*

The District monitors the online activities of students and operates a technology protection measure (“filtering/blocking device”) on the network and/or all computers with Internet access, as required by law. The filtering/blocking device will attempt to protect against access to visual depictions that are obscene or harmful to minors or are child pornography, as required by law. Filters/blocking devices are not foolproof, and the District cannot guarantee that users will never be able to access offensive materials using District equipment. Evading or disabling, or attempting to evade or disable, a filtering/blocking device installed by the District is prohibited.

Clinton School District is committed to creating a safe and secure digital environment for all users. While the district uses filtering technology to restrict access to such material, it is not possible to absolutely prevent such access. It is the responsibility of the user to follow the rules for responsible use. Parents and students should contact the school with concerns when objectionable content has been discovered. Users do not have a legal expectation of privacy in the user's electronic communications or other activities involving the district's technology resources including, but not limited to, voice mail, telecommunications, e-mail, and access to the Internet or network drives. By using the district's network and technology resources, all users are consenting to have their electronic communications and all other use monitored by the district. Electronic communications downloaded material and all data stored on the district's technology resources, including files deleted from a user's account, may be intercepted, accessed, monitored, or searched by district administrators or their designees at any time in the regular course of business. Such access may include, but is not limited to, verifying that users are complying with district policies and rules and investigating potential misconduct. Any such search, access, or interception shall comply with all applicable laws. Users are required to return district technology resources to the district upon demand including, but not limited to, mobile phones, laptops, and tablets. Appropriate district and school officials may monitor a technology device or access its contents at any time in accordance with this agreement and applicable law.

### *Building Information*

#### *Identification Cards/Badges*

All visitors to the building must stop at the office and receive an identification badge.

### *Missouri State High School Activities Association (MSHSAA) Activities*

The District complies with all MSHSAA guidelines. The most up-to-date version of the MSHSAA handbook is located at

<https://www.mshsaa.org/resources/pdf/Official%20Handbook.pdf>.

### *District Sponsored Extracurricular Activities and Clubs I-210-S*

Students and Student-Athletes at away events will only be released to their parents. At such events, parents must sign their child out with the head coach or his/her designee before the child will be released to leave. **Students missing all or part of the school day may not participate in an activity that day without receiving permission from the principal or activities director prior to being absent.**

### *Philosophy*

Clinton School District believes in giving every student the opportunity to participate in athletics and activities. We believe that it is essential to the development of young adults to achieve personal and team goals through hard work and dedication. Our programs seek to promote mental, emotional and social health in addition to the physical development necessary for an active life. We want to give every student the opportunity to prepare him or herself for their future, whatever that may be. Faculty and staff will encourage and promote every student's growth by holding them accountable, assisting with goal setting, and helping students reach these goals.

### *Objectives*

1. To be a strong academic leader.
2. To develop good community leaders.
3. To develop a strong work ethic.
4. To promote good sportsmanship at all times.
5. To develop pride in your school, your team, and yourself.
6. To develop and improve movement skills, social values and attitudes.

To develop respect for the activity, coaches, sponsors and officials.

### *Academic Eligibility*

Students must remain in good academic standing, no failing (F) grades, in order to maintain the privilege of participating in extracurricular activities. Academic standing will be determined by mid-term grades, quarterly grades, and semester grades.

If a student is not in good academic standing as reported on a mid-term progress report or quarterly grade card, he/she will lose extracurricular eligibility during the week after grades have been sent/emailed home. During this week the student should strive to improve the failing grade. After the initial week of ineligibility, the student's grade will be checked weekly. If the grade has been raised from an "F", the student will be declared eligible. If the student's grade is still an "F", he/she will continue to remain ineligible. Students receiving a failing grade, an "F" on a semester grade will not be permitted to participate in extracurricular activities the following semester. Students

must also meet the Missouri State High School Activities Association requirements for activities that are governed by their rules. Eligibility is determined by the day that grades go home.

### *PARTICIPATION and ACADEMIC FEES*

In order to help cover the increasing cost of activities, a student will be required to pay a \$30.00 fee for each interscholastic activity that he/she participates in. This fee is due before the first scheduled game. Failure to pay this fee by the required date may result in your student not getting to participate in *game* activities until paid. He/She may still remain on the team and participate in all practice activities, however.

In order to help cover the increasing cost of materials used in the elective classroom setting, each student will be required to pay a \$20.00 student fee at the beginning of each school year that will go towards supplies used by the students.

Extracurricular activities sponsored by the District are part of the educational experience and opportunities for students. Clubs, sports, and other groups seek a diverse range of students and provide fair access under the law. Students are encouraged to identify activities matched to their interests and ability levels and participate in those activities. Participation in extracurricular activities is voluntary and a privilege. Therefore, students must meet certain academic standards, demonstrate acceptable citizenship and behavior, and maintain appropriate attendance in order to be eligible to participate. Unless special arrangements have been made with the principal, a student is required to attend school on the day of an activity in order to participate. All extracurricular activities are supervised by District employees and the expected code of conduct for students remains the same as during the standard school day. Additional guidelines for specific groups, including activities sanctioned by the Missouri State High School Activities Association (MSHSAA), may be outlined at the beginning of the year and/or season. Competitive, interscholastic activities may have evaluation procedures that eliminate some students from participation. When students are not selected for participation, communication will occur in a personal and respectful way.

The faculty of the District strives to communicate and work together with the parents and guardians of our students. Email is one tool that promotes convenient, two-way communication between families and teachers. Though the District network is secure, we cannot guarantee that an email sent from the District server will remain secure once it leaves our system. When teachers or administrators receive email from outside sources, the identity of the person cannot always be easily discerned.

Therefore, permission must be granted by the parent/guardian to allow teachers or administrators to use email for communication. To remain compliant with the Family Educational Rights and Privacy Act (FERPA), email will not be used to send grading, attendance, discipline information of students, or other personally identifiable information without permission to do so. The District also encourages parents to access the District's parent portal, a secure measure, to check your child's school information and progress.

I, Parent/Guardian of (please print) \_\_\_\_\_, provide to my child's school and to the District permission to email academic, attendance, discipline, or other personally identifiable information to the email address(es) listed below. I understand that by giving this permission, there is no guarantee that the information will be fully secure and do not hold the District liable for any inappropriate release of student information that may violate the FERPA regulations as a result of any email communication. Should your email address change, please contact the District.
