2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Lawrence E. Jones Middle School is a diverse community of learners united by the strong conviction that opportunity comes through education. We strive to be an inclusive campus that upholds equity and social justice. Individuals from all ethnic and cultural backgrounds, gender expressions, sexual orientations, abilities, and belief systems make up our community and should be able to bring their full selves. We promote learning as discovery, through independent critical thinking as well as cooperative learning. We strive to model and encourage integrity in a positive and respectful environment. We recognize the potential of every student and offer a rigorous curriculum that is relevant for today's fast changing world and equips our students for the challenges of tomorrow. We recognize and reward perseverance as students begin to take responsibility for their futures. We honor the service of both students and staff, and are committed to the physical, social, and emotional well-being of our school community. To our students and to one another, we offer support and guidance that is rooted in a profound sense of responsibility for the enormously important work we share.

Mission: Lawrence E Jones Middle School is a diverse community of learners. We recognize the potential and unique assets of every student and offer a rigorous curriculum that is relevant for today's fast changing world and equips our students for the challenges of tomorrow.

Vision: The LJ Way

4 Cornerstones: Integrity, Perseverance, Discovery, Service

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

School Facility Conditions and Planned Improvements

Built in 1995, Lawrence Jones Middle School is a state of the art campus that boasts of a new performing arts facility and spectacular grounds. In the District. LJMS sits on 34 acres of land and its classrooms, MU/Gym Library, and Administration buildings cover over 81,000 square feet.

It was constructed primarily from General Obligation Bonds, along with additional State building funds. It is maintained on a daily basis by the onsite custodial staff. Maintenance and Operations Department staff contributes to site maintenance and care.

The District five-year Deferred Maintenance plan includes future improvements of various LJMS systems. In the summer of 2007 as part of the District deferred maintenance program new VCT flooring and a cementitious sealer were installed in House 3. In the summer of 2008, the same project was completed in House 2.

The HVAC system was completely redone in the 2013.

Summer -The fire marshal, health department, and insurance carrier annually inspect the school. When corrections are necessary, they are rectified quickly.

As a school built after October 12, 1988, construction practices conformed with the non-ACBM regulations.

In the summer of 2017 Lawrence E. Jones Middle School had a makeover with complete exterior painting, new roofs, fencing removed, and the MU completely renovated. This was all made possible by the passage of two local school bonds.

In the summer of 2018 Lawrence E Jones Middle School fire alarm system was changed to a pull-less system.

The new performing arts classroom, adjacent to our theater, was completed in 2019.

Winter of 2020, COVID safety measures were implemented, which included installation of hand sanitizing or washing stations in each classroom, and upgrades to HVAC systems to include ionization and increased air filtration and flow into classrooms.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents have a variety of opportunities for involvement at Lawrence E. Jones Middle School. They may participate on the School Site Council (SSC) which meets throughout the school year. This SSC develops and approves the School Plan for Student Achievement (SPSA) and approves many budgets. It also monitors school programs and approves the Site Comprehensive Safety Plan. Parents are also involved in the PTSA, MSPABA (Middle School Performing Arts Boosters Association), ExLPA (Expeditionary Learning Parent Association), ELAC (English Language Advisory Committee), and LJMS Athletic Booster Club. The PTSA organizes and sponsors various events such as parenting seminars, family nights, dances, and other events that afford avenues for parent involvement. Interested parents can contact the Office Manager, Student Services Secretary or the board parents of each parent association for more information on how to participate in LJMS events. Parents have the opportunity to sign up starting at the August Orientation Day for parent volunteer opportunities throughout the year.

Teachers, administrators, and counselors partner with parents to support students academically, socially, and emotionally. A Student Study Team (SST) referral process is initiated and a subsequent meeting is scheduled when more than one teacher has a concern about a student's performance. Teachers communicate regularly with parents by phone and email to express praise and concerns and hold individual parent conferences. Teachers meet together at least monthly in grade-level teams to talk about and prioritize students of shared concern and follow up with parent-teacher-student pre-SST meetings at least once a month as well.

The school sends out a weekly parent letter to inform students and families about academics, extra-curricular activities, parent meetings, and school & community events. The school updates its school website page regularly and uses Facebook to keep parents apprised of important school information and events. School display cases are updated regularly. An electronic marquee was installed at the front of the school during the summer of 2019 and is frequently updated with upcoming school events. The Expeditionary Learning Program (ExL) teachers send out its own monthly newsletter to ExL families each month.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.25	0.00	0.22	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

Lawrence E. Jones Middle School complies with existing laws related to school safety. The Comprehensive School Safety Plan is updated, reviewed, and approved by the School Site Council and Site Leadership Team annually. It contains sections related to site emergency operation procedures, responsibilities for staff, law enforcement support, community policing visits, safety presentations, and student well-being. The Lawrence Jones campus is a closed campus and students follow expectations and Education Code requirements detailed in the student handbook. The school employs campus supervisors to help maintain a safe school environment. The administration strives to be visible throughout the day building positive relationships with all students and staff to ensure a safe, orderly, productive and kind learning environment. LJMS is well prepared to deal with emergency situations and conducts regular drills to practice different scenarios and situations. The PTSA has provided an emergency cargo container where emergency supplies are stored. Each classroom has a dedicated emergency supply backpack. LJMS Practices regular evacuation drills occur. The site and district uses the school learning management system to send messages to parents, and the school website is used to notify parents of upcoming events and if necessary, emergency information. Staff participates in mandated sexual harassment training, mandated reporter training, health/COVID training, anti-bullying education (Including Seth's Law), and PBIS training. In addition, our staff continues to address school safety on an ongoing basis by identifying and addressing issues as they occur throughout the year.

Opportunities to Build Positive School Climate:

- An over all LJMS philosophical focus on the "4 Cornerstones" of Integrity, Perseverance, Discovery and Service along with an emphasis on maintaining a Safe, Respectful, and Responsible school climate for learning; all to promote "The LJ Way".
- Staff, student, and parent involvement in school decision-making: ELAC, SSC, MSPABA, LJMS Middle School Athletic Boosters, PTSA, SST (Student Study Teams), SARB (Student Attendance Review Board)
- Restorative Justice with a progressive discipline system including parent involvement and Positive Behavior Management Strategies are implemented schoolwide.
- 2 yearlong, daily Student Leadership/Service Classes (50+ students participate).
- Trimester Honor Assemblies & Recognition: A variety of Honor Roll Awards, Cornerstone Awards & Badges, Attendance, athletic achievements, etc. in addition to celebrating and acknowledging trimester events.
- Opportunities to participate in student-initiated/staff-sponsored lunchtime and after school clubs.
- Trimester Rallies planned by the schools 2 Leadership classes and organized by cross-grade Color Teams to celebrate School Spirit
- The school uses a multi-faceted citizenship grading (using SWIS & PowerSchool), JagPaws Awards, and Color Team School Participation and Spirit Programs
- Students that have poor citizenship grades are placed on Behavior Support Plans with a Parent meeting and letters for communication.
- 30 students and about 7 staff were trained in Safe School Ambassadors in Fall of 2021.
- The school's PBIS team continues to participate in professional development and hosts monthly meetings to refine and carrying out a variety of schoolwide positive school climate initiatives.
- Two after school drama productions (Musical in the Fall, play in the Spring) are open to all students - everyone who wants to participate is included!
- Before school (0^o) Jazz Band
- Lunchtime intramural sports competitions
- Lunchtime clubs
- After School Homework Club/Staff Office Hours are offered throughout the week.
- Participation in District-wide Spelling Bee
- Participation in North Bay Science Challenge
- Competitive After School Athletics - Cross-country, soccer, boys and girls basketball, girls and boys volleyball, co-ed wrestling, track & field
- 5 school dances (each sponsored by one of the schools parent organizations or Leadership classes)
- StopIt and "No Bully" Solution Teams to deal with student conflict: We have a "stand up and speak out" against bullying event that is the culmination of all classes having a 30 minute Bully Awareness presentation in each class; student access to the StopIt App to report bullying incidents witnessed

2020-21 Types of Services Funded

Special education services are provided to students with identified special needs. There are two county-office special day classes on campus. We also host a District B.E.S.T. class on campus that is a special day with ED students. There are four Ed Specialists who serve students who qualify for our Special Education program. A speech and language specialist provides service on campus a three days a week. The site has a full-time school psychologist to conduct assessments and provide educationally related mental health support and behavior support. A half-time counselor is dedicated to provide educationally related mental health support to students requiring designated instructional counseling supports. Students are "clustered" in certain "supported" classes to enable teachers to differentiate the curriculum to meet their needs and more effectively partner with the school's special education teachers. Second language learners are annually given the ELPAC assessment. Based on the results of this test, students are assigned to a daily ELD (English Language Development) class. All EL students are assigned to teachers who have the proper training, holding a CLAD, SDAIE, or a CTEL certificate. Intervention "supported" classes for mathematics and English are held during each school day.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
