The recording of the May 3, 2022, regular meeting is available [HERE](#) at stanwood.wednet.edu.

STATE AUDITOR STEWARDSHIP AWARD

Our district was truly honored to receive the Office of the Washington State Auditor Stewardship Award from State Auditor Pat McCarthy, recognizing Stanwood-Camano's dedication to improving government. McCarthy praised the district's Business Services staff for its cooperation during the annual audit process, taking a proactive approach in their accountability over public funds.

TWIN CITY ELEMENTARY REPORT

Jennifer Allen, Principal of Twin City Elementary, presented the school [report](#). She gave an overview of enrollment by student demographic and how student learning has grown over time.

A highlight from this year has been Title I/LAP interventions, with 151 students served in grades K-5 since Fall 2021, focused on fundamental reading skills, such as phonological awareness, sound manipulation, rhyming, phonics, and applying skills to reading. These interventions have been successful, with 49 students having exited Title/LAP as of May 1, 2022, and nine students qualified for Special Education services.

Twin City staff and Building Leadership Team are working to create a framework and intervention system of support to address academic and behavioral needs.

THANK YOU FOR THE DONATIONS!

The Board accepted these generous donations:

- \$10,000 from the Stanwood Elementary PTO to support teacher training and to provide supplemental materials for the PAXIS Good Behavior Program. This donation was funded through the Stillaguamish Tribe of Indians.
- \$300.00 from the American Heart Association for general supplies for Twin City Elementary.
