Vision Statement--Students

The Stanwood-Camano School District promises that our scholars will experience a strong sense of belonging because they are seen and heard, feel safe, and are engaged in culturally relevant and rigorous curriculum which empowers them for success in school and beyond.

Vision Statement--Families

The Stanwood-Camano School District believes that our scholars succeed when families are involved and feel a sense of belonging in our schools. Families are engaged, connected, honored, and valued and will trust schools knowing that their children are valued, respected and loved.

Theory of Action

If we as a district are committed to an inclusive, diverse and equitable learning environment where all students belong, then we as a district will place equity at the heart of all decision making and planning, ensuring that all students have a voice and the resources they need to thrive academically, socially and emotionally in our schools.
