Choice Transfer students may ride a Stanwood-Camano School district bus to and *from* school under the following conditions:

- The student must use existing Stanwood-Camano District bus stops, no additional pickup or drop-off “bus stops” will be added.
- The parent/guardian is responsible for dropping off and picking up their student at their designated bus stop.
- Students and parents must follow the bus rules as stated in the Stanwood-Camano District Board Policy and Procedure number 6605
- Use of a Stanwood-Camano District school bus by Choice Transfer Students is based on the availability of seating on existing bus runs. No additional bus runs will be added.

The Stanwood-Camano School District reserves the right to refuse transportation to Choice Transfer Students, if these conditions are not met, or the bus becomes too full to accommodate all students.

I understand that I will *transport* my children to and from the designated stop, and that transportation service is contingent upon available space and conditions listed above.
