Goals and Strategies for Realizing our 3-year Vision

1. STARTING PLACE Our school data shows that we are currently “here”, in terms of our current strengths and areas for growth (be specific):	2. GOALS Over a three-year trajectory, our goals for our students are (be specific):	3. STRATEGIES The strategies we intend to use to achieve our three-year goals are (be specific):	4. RATIONALE The rationale for <i>these specific</i> goals and strategies are:
Use of Standards Priority standards have been identified for all courses taught at Stanwood High School.	Use of Standards 100% of priority standards are taught, assessed, and documented in each course.	Use of Standards Department Collaboration on common assessments. Clear course outlines documenting standards & assessments.	Use of Standards To ensure all students are meeting the standards and competencies it is important to align the formative and summative assessments in each course to those standards.
