

## EVALUATION OF INSTRUCTIONAL PERSONNEL

The Town of Webb Union Free School District is committed to supporting the development of effective teachers and administrators. To this end, the District shall provide procedures for the evaluation of all professional staff. District plans for Annual Professional Performance Review (APPR) of teachers and Principals shall be developed in accordance with applicable laws, Commissioner's Regulations, and Rules of the Board of Regents.

The primary purposes of these evaluations are:

- a) To encourage and promote improved performance;
- b) To guide professional development efforts; and
- c) To provide a basis for evaluative judgments by applicable school officials.

### **Annual Professional Performance Review (APPR) Ratings**

For those teachers and Principals subject to Education Law 3012-d, the Annual Professional Performance Review (APPR) will result in a single composite effectiveness score and final quality rating of "highly effective," "effective," "developing," or "ineffective." The District will follow the agreed upon plan to evaluate and rate teachers/principal annually.

### **Disclosure of Annual Professional Performance Review (APPR) Data**

The Commissioner of Education is required to disclose professional performance review data for teachers and Principals on the New York State Education Department (NYSED) website and in any other manner to make such data widely available to the public. However, the release of such aggregate data may not include personally identifiable information for any teacher or Principal. Such public disclosure of final quality ratings and composite effectiveness scores will be suitable for research, analysis and comparison of APPR data for teachers and Principals across the state.

Upon request, the District will release to parents/legal guardians the final quality ratings and composite effectiveness scores for teachers and Principals to which their student is currently assigned. The District's obligation to disclose this information is limited to those teachers and Principals subject to Education Law 3012-d. The District will provide conspicuous notice to parents/legal guardians of their legal right to obtain such information and the methods by which the data can be obtained. Upon request, parents will receive an explanation of the composite effectiveness scoring ranges for final quality ratings and be offered the opportunity to understand such scores in the context of teacher evaluation and student performance. When a request for this information is received, reasonable efforts will be made to verify that it is a bona fide request by a parent/legal guardian entitled to review the data.

Annual professional performance reviews of individual teachers and Principals shall not be subject to disclosure under the Freedom of Information Law (FOIL).
