

ADULTS VISITING THE SCHOOL

Parents and other adult residents of the school district are welcome to visit the schools. However, they will not be allowed to interrupt the business of teaching and learning. All visitors must report to the main office immediately upon entering the building to request permission to visit. Visiting adults are expected to adhere to the Code of Conduct.

Parents who wish to discuss the progress of their children should schedule a conference with the teacher through the Guidance Office.

Classroom observations by parents and others are permissible at the invitation of the teacher and with the prior approval of the principal.
