EXTRA-CLASSROOM ACTIVITY POLICY

The Board recognizes that the fundamental task of the schools is to prepare young people for life. Extra-classroom activities represent an essential part of the educational experience.

In order to promote the organization and maintenance of extra-classroom activities, the Board authorizes the Superintendent to develop rules and regulations for the establishment, conduct, operation, and maintenance of extra-classroom activities as needed.

The Board Policy covering Extra-Classroom Activity Funds is #708.

APPROVED: BOARD OF EDUCATION March 17, 1992
