As stated in the parent meeting, it takes a village to have a sports program. Many parents have signed up to work the games and the concession stand. In the case that you didn't, I filled in the blanks as best as I could to cover the first few games. We still have some spots to be filled. If your name is not on the list to work, please notify me. If you can't work the game you are down for, you will need to switch with someone else. If there is an error, and you are down too many times let me know.

Parents must work at least one night at the score table for each student they have playing. They must also work at least one night in the concession stand for each student they have playing.

Thank you in advance. If you are working the kitchen for the first shift, please arrive 20-30 minutes prior to game time to get the pizza and hot dogs ready. Thank you

**Concession Stand:** Pizza, hot dogs, chips, candy, soda, gatorade, and water.
