Coronavirus (COVID-19) Communication Update:

The Oroville School District understands your concerns regarding the ongoing COVID-19 situation, and we thank you for promoting a calm atmosphere with your children. To help in this effort, please know that the District is staying in contact with Okanogan Health District, and continues to monitor updates about the Coronavirus (COVID-19) from Washington State Health Department (WSHD) and Center for Disease Control and Prevention (CDC). Please continue to communicate and use the **Preventative Measures** communicated with you by the District on March 2, 2020:

- Much like the flu, the best defense for preventing illness and the spread of the virus is to practice the following universal precautions: Practice Routine Hygiene, Stay Home When You are Sick, and Communicate.
- Additionally, if you have immediate health questions regarding Coronavirus, please contact the Washington State Health Department COVID-19 Hotline: 1-800-525-0127, then #

At this time the District remains open, and there are no changes to school trips scheduled to take place in the coming weeks. Any school closures shall be determined in consultation, and at the advisement of the Okanogan Health District.

The District is committed to providing you communication updates about impactful District decisions as they arise.

Thoughtfully,
Jeff Hardesty EdD
Oroville Schools Superintendent
